

SPECIAL ADMINISTRATIVE BOARD OF THE TRANSITIONAL SCHOOL

DISTRICT OF THE CITY OF ST. LOUIS

Purchasing Department
801 North 11th Street
Saint Louis, Missouri 63101

RFP 013-1617 Safety and Security Equipment Upgrade

1. It looks as though installation is not included. Is this correct? **We are requesting that the bidders include both installation and material costs for this project.**
2. Who will be doing the installation of the equipment? **No contractor has been awarded the contract; however, a recommendation will be provided for board approval after the bid opening on September 21, 2016.**
3. Are we to provide any programming or training? **The district will request that some training be provided to the St. Louis Public Schools Trade leads which will include the electrical department.**
4. Are we just including the parts and will this be installed by you or someone else? **The awarded contractor will install the specified parts/equipment.**
5. Is there any drawings that show where this equipment is to be mounted and installed? **This project is a designed build project and the contractor will provide submittals/shop drawings that indicate where equipment are to be mounted and installed. This will be reviewed by the St. Louis Public Schools management team and trade leads.**

END OF ADDENDUM 1.
