

# MANN U SCRIPT

## Note From The Principal

Dear Families,

Our students and teachers are working diligently. This is an opportune time to review some critical components to school success:

- \* Attendance : students cannot learn if they are not here-every day
- \* Punctuality: the school day begins at 8:02 am and learning starts right away
- \* Homework: necessary for practicing skills; we need your help and support with this
- \* Communication: check backpacks, review planners, Mann Elementary FB Page, talk with your child daily.

Sincerely,

Angela Glass

# Festival of Friendship

On Friday, February 14th we will hold our Seventh Annual Festival of Friendship. Going to school is not just about learning, but about seeing and meeting new friends. Friendships are often the key to a child's sense of self-identity and emotional security. Valentine's Day is the perfect time to celebrate friendship. At Mann, we hold a dance in the gym during the school day for all grade levels. Students are expected to dress up. Refreshments are provided.

**Ladies are to wear dresses. No low cut, revealing, or strapless. Young men should wear shirts and ties. This is an opportunity for all our students to dress up and wear their own clothing.**

**If you are in need of any clothing items we might be able to assist you. Mann has a few dresses and ties available, please contact Kathleen Johnson, no later than Thursday, February 10th.**

## Dance Schedule
