## What is a Magnet School?

Students ordinarily go to the public school nearest them. Magnet schools are public schools without school boundaries. Each has something unique to offer that you won't find in traditional schools, whether it's a particular focus on technology or the arts, or a stimulating curriculum designed especially for gifted students.

St. Louis Magnet School programs welcome eligible students from St. Louis County to help increase diversity in the public school system. Because of high demand, admission is based on a lottery system.

See eligibility criteria on Page 4.

# At a magnet, your child can . . .

## Be Creative

Their world is a stage, a canvas, bright lights and beautiful costumes. Your child thrives on creating, performing and entertaining. Our Visual & Performing Arts Magnet Schools provide the training, opportunities and space artistic children need to explore their creativity and develop their talents. Thanks to our visiting professional artists and partnerships with STAGES, Muny Kids, the Saint Louis Symphony, Opera Theatre of St. Louis and more, your child will be exposed to a world he or she might otherwise only dream about.

## Think Deeper

Spoke French at age 2, knows the answer to  $E=MC^2$ , voracious reader, chess master. Sound familiar? Gifted children thrive in an environment that challenges them to the *nth* degree. St. Louis Magnet Schools proudly offer the only FULL-Time, tuition-free gifted education in the metropolitan area. Our rigorous and challenging curricula are guaranteed to fulfill your gifted learner's needs. St. Louis Public Schools offer free gifted screening. For information, or to schedule an appointment for screening, call 314.345.4548. (To qualify for a gifted magnet school, students must meet state-approved criteria.)

## Look Deeper

Digging in dirt, peering into a microscope, stargazing and encouraging you to live green. Your child will experience hands-on learning, while gaining

exposure to everything from engineering to environmental science to computer technology at our schools that specialize in math, science and technology. Partnerships with the Missouri Botanical Garden, St. Louis Zoo, the University of Missouri at St. Louis and others further enrich your child's experience.

## Share Cultures

Bonjour! Guten Tag! International Studies Schools provide a wonderful and exciting "Passport" to learning. Our students and staff represent more than 30 countries. Your child will learn multiple languages, traditions, customs and cultures in the classroom, in the hallways and beyond.

## Explore Earlier

Young minds are inquisitive by nature. Our Early Childhood Centers tap into that natural inquisitiveness using a process-oriented approach to learning known as Project Construct. Your child will be engaged in all-day learning from preschool through fifth grade, providing a strong, solid foundation for his or her future academic success. Children needing special education services require a caring approach. Some magnet schools include self-contained special education classrooms for students whose Individual Education Programs (IEPs) call for it. Full inclusion and cross-categorical classes are also available.

## Shine Brighter

Shiny shoes, crisp uniforms, brass buttons. Cadets not only dress the part, they walk and talk it. Cleveland

NJROTC Military Academy builds character, inspires service and creates strong leaders today for tomorrow. Admittance and enrollment depends on students meeting the school's academic standards, and weight and uniform fit requirements. Soldan International Studies and Gateway Institute of Technology High Schools offer part-time Air Force ROTC programs.

## Be Unique

It's cool to be different. Some children like traditional learning. Others excel when a teacher identifies and supports their individual learning style. Magnet schools are a great place for "break-the-mold" students. Our general academic programs are recognized for inventive teaching methods. We offer the largest tuition-free Montessori program in the metropolitan area. How successful are our students? Our Metro Academic & Classical High School currently ranks #92 in U.S.

News and World Report's list of "America's Best High Schools," the highest ranking of any school in the state of Missouri.

**For a complete listing of Magnet Schools and their specialties, please see back cover.**

# What every parent should know about Magnet Schools

## Who's eligible?

The following students are eligible to apply for a spot in a magnet school:

- Any student living in the city of St. Louis.
- Non-African-American students living in the Affton, Bayless, Brentwood, Clayton, Hancock Place, Kirkwood, Ladue, Lindbergh, Mehlville, Parkway, Pattonville, Ritenour, Rockwood, Valley Park and Webster Groves school districts are eligible for Kindergarten through Grade 12. County residents are not eligible for preschool.

## The application process

Students wishing to attend a magnet school must submit an application, a copy of which is included in this brochure. Additional copies are available for city residents at the St. Louis Public Schools website at [www.slps.org](http://www.slps.org) or call the

Recruitment and Counseling Center at 314.633.5200. County residents can visit the Voluntary Interdistrict Choice Corp. (VICC) website at [www.choicecorp.org](http://www.choicecorp.org). Click on "Information about applying," or call 314.721.8422, ext. 3012.

Completed applications may be mailed to or dropped off at:

St. Louis Public Schools  
(for city residents)  
Recruitment and Counseling Center  
801 N. 11th Street  
St. Louis, MO 63101

Voluntary Interdistrict Choice Corp. (VICC)  
(for county residents)  
7425 Forsyth Blvd., Suite 110  
St. Louis, MO 63105

**Please complete only one application per child. SLPS and VICC computers will accept only the most recent application.**

## WHAT'S NEW FOR 2011-2012

### Mallinckrodt Academy of Gifted Instruction

Mallinckrodt is transitioning into a full-time gifted curriculum school, one grade per year as students currently attending are promoted over time and graduate out of fifth grade. For the 2011-2012 school year, Mallinckrodt will host gifted students in the preschool, Kindergarten and first grade levels. The curriculum currently in use for grades two through five will remain in place for 2011-2012. Preschool, Kindergarten and gifted classroom first grade applicants must meet eligibility requirements for gifted programs to be considered for placement.

### Humboldt Academy

Second grade students currently attending the Stix and Wilkinson Early Childhood Education Centers will receive placement into the newly opened Humboldt Academy. Humboldt is designed to continue providing the Project Construct curriculum students at Stix and Wilkinson currently receive, as well as offering a location dedicated to third through fifth grade students in this theme.

### Busch Middle School of Character and Athletics

The Busch School is adding a new "Character Education" component to its present athletic focus. Current school administration has received certification in character education through the Institute for Character Education at the University of Missouri-St. Louis and the Leadership Academy in Character Education in the St. Louis Public Schools. Busch School will keep its athletic theme and trained staff will merge their character

education training to enhance and improve the school's instructional programming.

## Deadlines

Applications for the following schools must be received by **Friday, November 19, 2010:**

- Central Visual & Performing Arts
- Cleveland NJROTC
- Gateway Institute of Technology
- Kennard Classical Junior Academy
- McKinley Classical Junior Academy
- McKinley Classical Leadership Academy
- Metro Academic & Classical High School
- Soldan International Studies
- and from any continuity students.

Applications for all other St. Louis Magnet Schools must be received by **Friday, January 7, 2011.**

## Keep in mind

- All applications received before the deadline are given equal consideration, according to certain priorities. (See page 5 for more information.)
- Applications must be submitted each year, because unplaced student applications do not carry over from one year to the next.
- Applications received after the deadline will be placed on a waiting list in the order they are received. Your child may still be accepted if spaces in the school become available. Waiting list numbers will not be disclosed.
- Students who do not attend on the first day of school will forfeit their seat.

# Choice High Schools

*The Fast Track To A Successful Career*

**Choice High Schools** provide students with intimate, personalized learning environments and “hands on” educational experiences that prepare them for the future. Through internships, career mentors, and work study programs, these schools offer students unique opportunities to explore a specific career focus while studying rigorous college level coursework. The schools also enable students to engage in an education supported by strong partnerships with universities, technical schools and local corporations.

Students interested in attending a Choice High School are selected based on several criteria, including G.P.A., attendance records and disciplinary records. In addition, students will be required to submit an essay and participate in an interview with the school’s selection committee. All St. Louis City residents are eligible to apply.

## IMPORTANT DATES

Application deadline: November 19, 2010, to be included in the lottery

Acceptance letters mailed: February 14, 2011

## The lottery

Because the number of applications exceeds the number of available spaces, all applications are entered into a lottery. The lottery assures an equal chance for all students applying to magnet schools, within certain priority categories. (See right.)

When we receive your application, it will be entered into our computer system and be assigned to its appropriate priority category. The computer then randomly assigns an identification number to the application when the sorting lottery is held.

Based on the results of the lottery, we then attempt to place each applicant in his or her first choice school. If this choice is not open, the applicant's second choice is considered, presuming an additional choice is listed.

The lottery for the 2011-2012 school year will be held on **Friday, January 21, 2011.**

## What priorities affect the lottery process?

The St. Louis Magnet Schools participate in the area-wide desegregation program and have a goal of being racially integrated.

Through the lottery system, all applications have equal weight within various categories required to maintain racially integrated schools. They are:

### 1st Priority

**Continuity**—Students currently enrolled in magnet schools who are graduating to the next school level (such as middle school to high school) are guaranteed a seat in a magnet school.

Students with no continuing theme will be given two magnet school choices. These students must return their continuity priority forms by **Friday, November 19, 2010.**

### 2nd Priority

**Sibling**—Brothers and sisters of magnet school students who live at the same address and share at least one biological or legal parent have priority placement in the same magnet school building as their sibling. There is no guarantee, however, that siblings will be placed together. See application form for more information. Applications for sibling priority consideration must be received by **Friday, January 7, 2011.**

### 3rd Priority

**Neighborhood**—City students living within the “walk-to-school” boundaries set by the district transportation department can apply for neighborhood placement. Neighborhood priority is available for up to 35% of seats in each grade at each school in the general lottery. There is no guarantee that all neighborhood applicants will be placed.

### 4th Priority

**St. Louis City and St. Louis County applicants**—These students are placed in magnet schools through the general lottery after other placements are made. City and county residents have equal priority for magnet school placement.

# frequently asked questions

## **How do I know which magnet school is the best fit for my child?**

Only you can decide. Consider your child's interests and abilities, and learn about the school options available to you. Attend a Magnet School Open House on **Saturday, October 16, 2010** or **Thursday, November 4, 2010**. If you're unable to attend, contact the school for a personal tour. The school staff will be happy to answer specific questions you may have. We're also hosting a Recruitment Fair at the Emerson Education Center, The Magic House, St. Louis Children's Museum, 516 S. Kirkwood Road 63122, on **Tuesday, October 26** from 6 to 8 p.m. Admission is free.

## **Must I list more than one school choice on my application?**

No. You may list up to two schools. If there is only one school that interests you and your child, you may limit your application to that school. Please DO NOT list choices for schools that you are not willing to accept.

**How will I know you received my application?** We will mail you a receipt verifying that we have received your application. Please review it carefully to ensure all information is correct. If you do not receive a receipt within 10 days of mailing your application, city families should contact the recruitment office at 314.633.5200, and county families should call VICC at 314.721.8422, ext. 3012.

## **When is the Magnet School Lottery?**

The lottery takes place on **Friday, January 21, 2011**. The lottery for special education students will take place in May, 2011,\* after scheduled IEP conferences are completed.

\*This date will be announced and posted on the SLPS website, [www.slps.org](http://www.slps.org).

## **What are my child's chances of being accepted to a magnet school?**

Acceptance rates vary from year to year; there are always more applicants than available spaces. Usually about one-third of city applicants and about one-half of county applicants are accepted.

## **How will I find out if my child is accepted?**

City families may learn the results by calling the Recruitment and Counseling Center at 314.633.5200. County families may call the VICC office at 314.721.8422, ext. 3012, beginning Monday, February 14, 2011. Acceptance letters will be mailed the week of February 14, 2011.

## **What do I do after my child is accepted?**

Hold on to your acceptance letter! You'll need it when you enroll your child in school. You'll also need to return the Intent to Attend form by the deadline date specified. We will explain the enrollment process during the Open House for Newly Accepted Students on **Tuesday, May 17, 2011**. If your child is accepted after this date, but before the first day of school, the school will contact you

about the enrollment process. If your child is accepted after the school year has begun, call the school directly to discuss enrollment.

## **What if I change my mind after my child is accepted?**

City families should inform the Recruitment and Counseling Center in writing. If you reject the acceptance, your child will be assigned to his or her neighborhood school. County families should notify the VICC office in writing.

## **What if my child is not chosen through the lottery?**

Your child's name is placed on a waiting list. If additional spaces become available during the school year, you will be notified. In the meantime, county students can remain at their current school. Applications do not carry over from year to year.

## **What if my child is not accepted to his or her first choice?**

If you listed more than one choice on your application, and your child is accepted to his or her second choice, that is the school he or she will be eligible to attend for the 2011-2012 school year. His or her name will NOT automatically go on a waiting list for your first choice.

If you are still interested in being considered for your first choice school, you must submit a new application to go on that school's waiting list.

## **Once my child is accepted, do I need to reapply each year?**

No. Once your child is accepted, you do not have to reapply each year, presuming he or she will be continuing at the same magnet school and continues to meet eligibility criteria.

**New for 2011-2012:** Students completing second and third grade in the Stix or Wilkinson Early Childhood Education Centers receive direct continuity placement in the new Humboldt Academy. These students must submit applications to be considered for placement into a different magnet school for the 2011-2012 school year.

Students completing grade 5 in a magnet elementary school and grade 8 in a magnet middle school receive priority placement for the next level. Eligibility criteria for placement is in effect for grade 8 students. Depending on the schools they attend, they may be required to provide a continuity application and determination of eligibility. These forms will be mailed to your home.

## **My child attends a magnet school, but wants to transfer to a different magnet school next year. What do I do?**

You must submit a new application and be accepted through the lottery. Your child will keep a spot in his or her current school until (1) he or she is accepted into the new school and (2) you've completed and returned the enrollment paperwork.

**Have a question you need answered?**

**City families can email [slpsmagnetschools@slps.org](mailto:slpsmagnetschools@slps.org).**

**County families can email [lmerlo@choicecorp.org](mailto:lmerlo@choicecorp.org).**
