Dear Parent/Guardian,

McKinley Classical Leadership Academy is engaged in an ongoing continuous improvement process, of which all stakeholders are an integral part. McKinley CLA is using the AdvancED Parent Survey as a means to elicit your opinions to help target areas for the school system to improve and areas to continue to be effective. The five sections of the survey represent the five AdvancED Standards for Quality School Systems and provide a means for learning about parent expectations of a high-quality school system.

Soon you will receive information on how to access the survey. Your cooperation in completing the parent survey will be greatly appreciated.

If you have any questions or concerns regarding the content of this email, please reach out to us.

Sincerely,

Stephen D. Warmack
