MESSAGE FROM THE PRINCIPAL

We are now in the seventh week of the 2016-17 school year and both students and staff are working very diligently to make this an outstanding year at McKinley Classical Academy.

Please remember that one component of DESE accreditation is attendance. The goal is 90% of the students are in attendance 90% of required attendance days. After six weeks of attendance, the Middle School attendance is 95% (Excellent!). The High School attendance is 89% (Needs to improve!). We need to produce a better percentage of attendance in both schools. Please make sure your children are present at school every day, if possible. We realize that illness and other issues arise which necessitate absences but the standard of 90/90 is our goal and it is not achieved when students are absent for unnecessary reasons.

Below, please find dates of up-coming school events:
