#### 2014 Summer School Programs

- Preschool Transition Program for identified transitioning to kindergarten and eligible special education preschoolers
- Elementary students who qualify for services under Senate Bill 319 - An important goal of the St. Louis Public Schools is to ensure that students are successfully ready to do the work in the grade to which they are promoted. The summer program will provide critical instruction to narrow your child’s achievement gap.
- Elementary and middle school students who want to engage in enrichment through project-based enrichment programs
- Students with Individual Education Plans (IEPs) who are eligible for Extended School Year Services (ESY)
- Students who receive services in the English for Speakers of Other Languages (ESOL) Program will attend neighborhood schools
- Eighth Grade Transition Program for selected eighth grade middle school students transitioning to the ninth grade in schools that are part of the High School Initiative Grant
- High school students who need academic credits to make up courses which will allow them to graduate
- High school students who require intervention in End of Course Exams

# 2014 Summer School

**June 9, 2014 – July 3, 2014**

**St. Louis Public Schools  
Dr. Kelvin R. Adams  
Superintendent**

## CLASS OFFERINGS – SUMMER 2014

**Contact: 314.331.6103**

The **Preschool Transition Program** is designed for preschool students identified as P4 entering kindergarten in the fall of 2014 who need extra support. Extended School Year will include P3 and P4 students with an Individual Education Plan. **Most** students will attend the cluster site while ECSE will attend Mullanphy. This program will concentrate on social, emotional and academic readiness for 2014-15.

**Contact Your Child's Principal**

The **ELEMENTARY PROJECT-BASED EDUCATION PROGRAM** provides students in elementary with an opportunity to explore and research cross-curricular content with specific, identified Grade Level Expectations. Students will participate in field experiences based on the project. This will culminate with a Summer School Academic Fair on July 3rd! Students who do not meet the requirements of Senate Bill 319 will engage in intensive reading and math interventions. Explicit reading instruction will be provided to bridge the reading gap. Math will be problem-based in a technology environment. Classes will be held at elementary school sites.

**Contact: 314.633.5344**

**ESY:** Students who have been identified for Extended School Year (ESY) through their Individualized Education Plan (IEP) will attend the elementary school site associated with their regular site during the school year.

**Contact: Your Child's Principal**

The **MIDDLE SCHOOL PROJECT-BASED EDUCATION PROGRAM** provides students in middle grades with an opportunity to explore and research cross-curricular content with specific, identified Grade Level Expectations. Students will participate in field experiences based on the project. This will culminate with a Summer School Academic Fair on July 3rd! **Students entering 6<sup>th</sup> and 7<sup>th</sup> grades in 2014-15 will attend this program; however 8<sup>th</sup> graders in 2013-14 will remain in middle school EXCEPT for the High School Initiative Grant Schools.** Classes will be held at middle school sites.

**Contact: 314.633.5344**

**ESY:** Students who have been identified for Extended School Year (ESY) through their Individualized Education Plan (IEP) will attend the middle school site associated with their regular site during the school year.

**Contact Your Child's Principal or 314.345.2363**

The **EIGHT GRADE TRANSITION ACADEMY** provides transitioning experiences for selected students that are entering high school for the first time in 9<sup>th</sup> grade. Students will be notified of their school site upon enrollment in their selected high school through Check and Connect. This is associated with the High School Initiative Grant.

### Secondary School

**Contact Your Child's Principal**

The **END OF COURSE ACADEMY** provides an intensive, prescriptive intervention program for high school students in Algebra 150 and World Literature. All identified and notified students must attend **all** 19 days in order to earn credit. The **CREDIT RECOVERY ACADEMY** provides an opportunity for students to regain credits as a result of non-completion of courses during the regular school year. Classes will be held at high school sites. The **Virtual Credit Recovery Computerized Program** will be held at Gateway and Sumner High Schools ONLY.

**Nottingham CAJT:** Students enrolled in Nottingham CAJT will attend CAJT and Gateway IT High School autism classes will be held at Gateway IT High School.

**ESY:** Students who have been identified for Extended School Year through their Individualized Education Plan (IEP) will attend the high school site associated with their regular site during the school year.

**Contact: 314.601.1449**

**Pre-AP Program:** This program is designed for students who will take AP classes in the fall for elective credit.

**Contact: 314.345.4530**

**Career & Technical Internship Program:** This program is for selected students to gain skills in business, industry and BJC. Participants may apply through the Career and Technical Education Office.
