## 5th Annual Scholarship Luncheon

by Betty Louis '76 Chairperson

The Sumner Alumni Association held its 5<sup>th</sup> Annual Scholarship and Awards Luncheon at the Renaissance St. Louis Airport Hotel's on June 2, 2012. Of the nine honorees awarded scholarships, three were present.

Guests were entertained by DJ Gerald Johnson '80 before and after the luncheon. As we dined, Oliver M. Johnson, soothed the audience with his baritone voice as he sang, played the keyboard and saxophone.

Willie Kilpatrick '85, Master of Ceremonies, stirred the audience with short humorous stories as he kept the program 'flowing'. In her absence, special thanks from Ms. Terri Marie Sellers '04 (Reed Scholar) was read by her grandfather, Pete Sellers '62. Ms. Sellers expressed gratitude for the financial assistance she has received from the Dr.

Vincent Reed '47 Scholarship Fund, The Sumner Alumni Association, and individual Sumner Alumni. Terri graduated from Alabama State University in 2010 and is now teaching 7<sup>th</sup> and 8<sup>th</sup> graders in rural Alabama.

Missouri Sports Hall of Fame inductee Coach Lawrence Walls '55, presented the Sumner Alumni Association's Recognition Award to Coach Richard Perry '65. Coach Perry delivered a moving acceptance speech for the tribute bestowed upon him. It was a privilege to recognize the achievements of such a deserving alumnus and have Coach Walls as a presenter.

Before introducing the 2012 – 2013 scholarship recipients, Jocelyn Anderson '57, Scholarship Chairperson, had the privilege of expressing appreciation to the class of 1942, from Sumnerite Karl Burrell '89, for a scholarship he received while in high school.

Jacqueline R. Vanderford's '63 last duties, as President of the Alumni Association, were presenting the occasion, recognizing the Alumni Association's officers and members serving as volunteers at Sumner.

Coach Richard Perry, Coach Lawrence Walls, and Willie E. Kilpatrick received a crystal diamond-shaped paperweight from the Renaissance Hotel. The 'Coaches' also received photo collages commemorating highlights of their careers their recent awards. As the program drew to a close, more than twenty names were drawn for attendance prizes followed by singing our Alma Mater.

The Scholarship Luncheon Committee wishes to thank all our of our alumni/patrons for their support as well as those generous benefactors who provided a student meal, a donation toward our Scholarship Fund, or an advertisement for our souvenir program booklet.

Photos of the gala are available for viewing or purchase at Xquisite Xpressions home page at: [www.xquisitexpressions.com](http://www.xquisitexpressions.com) (From client login, choose Sumner, Sumner Alumni Assn).

## First Day, August 13, 2012

by Caroline Fisher '42

The school bells rang Monday, August 13, 2012 announcing the BEGINNING OF SCHOOL. Yes, the time had come again for students and teachers 'to get down to work' so that a successful school year can be experienced by all.

As the students returned to school, they were again greeted by the "First Day Team" and extended best wishes for a successful school. The First Day Team's assignments were to greet the students, distribute their new schedules, direct them to their new classrooms, the office, or counselors and present them with "First Day of School" wristbands or pencils, compliments of the Alumni Association.

First Day Team member, Joan Smith '54, was the first greeter posted at the stairwell entrance and as usual, she was 'on her job' greeting and directing students to appropriate the stations to receive their class schedules. (continued on pg. 3)

## President's Corner

by Major Kenneth Lee

Hello Fellow Summerites,

I'd like to take this opportunity to introduce myself. My name is Kenneth M. Lee, a proud member of the graduation class of 1963. I am a retired United States Army Officer, with over twenty-eight years of creditable active duty service.

After retiring from the U.S. Army, I committed myself to motivating young people to maximize their academic potential, while simultaneously preparing them for the transition beyond High School. I served as the Senior Army Instructor for Sumner's Junior ROTC program for fifteen years. During my tenure at Sumner, the JROTC program was recognized as one the best programs in the Metropolitan St. Louis area.

I am truly honored to serve as President of the Sumner Alumni Association. As your President, I presently have three primary goals for the association: "SUSTAINMENT, RECRUITMENT, and IMPROVEMENT." My efforts will be directed toward sustaining the present membership, while recruiting new members. As an organization, our continued survival is dependent on continuous recruitment and retention of annual member-

ships. Several class years are not represented. I appeal to all members to become a recruiter. If you know of a graduate that is not a member of the association, please encourage them to join.

There will be a concerted effort to improve the communications between the Alumni Board and the members of the association. The way we conduct our business will be done to ensure continuous existence of our organization and its stated mission: "To sponsor Sumner High School and provide better educational opportunities for its students."

As an institution, Sumner provided us with a quality education and the tools to succeed. With your support and active participation, let us collectively do no less for Sumner than to ensure its legacy continues for current and future students: **"A Tradition of Excellence since 1875."** I am looking forward to meeting you at Homecoming and other Alumni events.

## 11th Annual Golf Scramble

by Eric Oliver, Alumni Association's Vice President

The 11<sup>th</sup> Annual Sumner Scholarship Golf Tournament was held on Saturday, May 5, 2012 at The Golf Club of Florissant.

Almost 50 golfers participated in this year's tournament. In addition, we had seven **Class Hole Sponsors**; '62, '63, '76, '78, '80, '81, and '86 and two **Corporate Hole Sponsors**; *Infinite Designs* and *Monsanto YMCA*.

The 1<sup>st</sup> place winners in the male division and the 1<sup>st</sup> place winners in the female division were awarded individual trophies. Trophies were also awarded in each division for 2<sup>nd</sup> place and 3<sup>rd</sup> place winners as well. The 50/50 Raffle winner was Ms. Stacie Harris. New this year, we awarded Homecoming Dance Voucher—the winners were two Non-Summerites (5 tickets each).

A Bulldog 'shout out' to the **Sumner's Ladies of the 80's** for setting up the clubhouse, creating an upbeat and exciting atmosphere, assisting with awarding attendance prizes and hosting the picnic style, barbecue luncheon catered by Ms. Loretta Lewis. Gerald "PeeWee" Johnson provided the entertainment.

**Richard Perry, Eric Oliver, Robert Coffey, Charles "BeBe" Shelton and Warice Blackmon-Davis** did an outstanding job coordinating this year's tournament. The Committee sends thanks to all who attended, worked and supported us by doing whatever was necessary to help make this event a tremendous success!

## Homecoming for Dick Gregory—"Live In Living Color"

Homecoming for Sumnerite  
Richard Claxton  
"Dick" Gregory '52

*"I never learned hate at home, or shame. I had to go to school for that."—Dick Gregory*

Dick Gregory, Comedian, Activist, Author, Philosopher, and Living Legend gave a wonderful, 'up close and personal' performance Sunday, August 12th, in Sumner High School's auditorium. His "Live In Living Color" presentation consisted of almost three hours of inspiring material suited for all ages.

The smooth sounds of the James "Ironhead" Mathews Jazz Trio soothed the audience prior to Dick Gregory's performance.

Alderman Samuel Moore presented Mr. Gregory with a Proc-

lamation naming August 12, 2012 as Dick Gregory's Day. Roslyn Guy, from Atlanta GA, presented him with a collage of photos taken of him as he protested a Klan rally years ago and one of our youngest attendees, Miss Zoe Goffie, presented him with a beautiful bouquet of roses.

Sheila Moses, from Atlanta, GA, friend and co-author of Mr. Gregory's book, "Callous on My Soul", attended and informed him of her current project. Ms. Moses, in collaboration with the Missouri History Museum, will develop a display featuring the

life history of Mr. Gregory.

Esteemed guest, Dr. Kelvin Adams, Superintendent of St. Louis Public Schools was present for the performance as well.

Twenty percent of the proceeds from the ticket sales of "Live In Living Color" were donated to The Sumner Alumni Association Scholarship Fund.

## First Day (cont.)

by Caroline Fisher '42

Jocelyn Anderson '57 and Caroline Fisher '42, First Day Chairperson, were assigned the Freshmen students.

Helen Stevens '57 and Wilbert Overall '59 were assigned the Sophomore students.

Harold Williams '60 and Sumner's faculty were assigned the Junior and Senior students to give class assignments to.

When the bell rang, students moved in an orderly manner to

their classrooms. I must say, the first day went very smoothly.

Sumner's Ladies of the 80s provided College and Career Readiness Packets for the Senior Class of 2013.

Kudos to the "First Day Team" Joan Smith '54, Jocelyn Anderson '57, Helen C. Stevens '57, Robert Donald Hughes '59, Wilbert Overall '59, Harold

Williams '60, John Abram '63, John House '68, Warice Blackmon-Davis '80, Eric Oliver '80, Kenneth M. Lee '63, Alumni Association President and Caroline M. Fisher '42, First Day Team Chairperson.

## Charles Sumner (January 6, 1811 – March 11, 1874)

Charles Sumner was an American politician and senator from Massachusetts. An academic lawyer and a powerful orator, Sumner was the leader of the antislavery forces in Massachusetts and a leader of the Radical Republicans in the United States Senate during the American Civil War and Reconstruction working to control the ex-Confederates and guarantee equal rights to the Freedmen.

Our beloved Sumner High opened in 1875, the first high school opened for African-Americans west of the Mississippi; named after well-known abolitionist senator Charles E. Sumner.

## Sumner High School Class of 92's 20<sup>th</sup> Anniversary

Our 20<sup>th</sup> Reunion, themed "Class of 1992 Is All Byte and No Bark!" was held Saturday, July 21, 2012. The occasion began with fellowship and a marvelous dinner program at Café Cioccolato, 816 Olive Street, from 6:45 pm until 10:00 pm. The dinner was delectable, and the DJ was great!

Ms. Betty Louis '76, representing The Sumner Alumni Association, ensured we had an opportunity to learn about and join the Association as we checked in. An awesome display of all class yearbooks from our Freshmen year through our Senior year of high school, was available for us to view or order if we desired to do so. Authentic Sumner High School Championship Football Gear, from 1992, was displayed as well. We took photos and reacquainted ourselves with one another before the program started.

Mrs. Karen Chaney-Smith offered welcomed and offered greetings to everyone. Sanchez Johnson performed the invocation before we dined. After everyone was seated, Ms. Betty Louis introduced our guest speaker, incoming Alumni Association President Mr. Kenneth M. Lee '63. "Major Lee" as he is affectionately referred to...graciously shared the history of the alumni association and invited everyone to join.

Louis Johnson took us back with a '20-Year Talk'. A Remembrance Candlelight Service was led by Joe Westbrook and followed by a "Let's Talk Trivia" by Karen Chaney. We spent the rest of the evening celebrating, dancing and taking more photos for lasting memories. We look forward to our next gathering.

## Preventing Heart Disease - At Any Age

American Heart Association 2012

**You're never too young or too old  
to take care of your heart.**

Preventing [heart disease](#) (and all [cardiovascular diseases](#)) means making smart choices now that will pay off the rest of your life. Lack of exercise, a poor diet and other bad habits can take their toll over the years. Anyone at any age can benefit from simple steps to keep their heart healthy during each decade of life. Here's how: **Choose a healthy eating plan.**

The food you eat can decrease your risk of heart disease and [stroke](#). Choose foods low in [saturated fat](#), [trans fat](#), [cholesterol](#), [sodium](#) and [added sugars and sweeteners](#). As part of a healthy diet, [eat plenty of fruits and vegetables](#), [fiber-rich whole grains](#), [fish](#) (preferably oily fish -- at least twice per week), nuts, legumes and seeds. Also try eating some [meats without meat](#). Select fat-free and low-fat dairy products and lean meats and poultry (skinless). Limit sugar-sweetened beverages. **Be physically active.** You can slowly work up to at least 2½ hours (150 minutes) of moderate-intensity aerobic physical activity (like brisk walking) every week or an hour and 15 minutes (75 minutes) of vigorous intensity aerobic physical activity (such as jogging or running) or a combination of both every week. Additionally, on two or more days a week you need muscle-strengthening activities that work all major muscle groups (legs, hips, back, abdomen, chest shoulders and arms).
