## Miss Smith's News

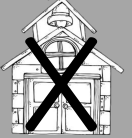

In February, we will be learning about subtraction in math, as well as continuing to practice addition. In reading, we will be working hard to learn sight words. We will also continue to work on writing about our ideas independently.

There will be a meeting that parents can attend on Friday, February 28 at 9:00 am. This meeting, held by Ms. Weaver, NCNAA's Family and Community Specialist, and is a great opportunity to learn about what is happening at NCNAA!
