A Note From your Teacher

In November, we will learn about adding, subtracting, time, and money in math.

We will also continue retelling and making connections in reading.

Please practice math and reading with your child at home!

We are excited to be going to the HealthWorks! Museum this month to learn about how to keep ourselves healthy. Be sure to ask your student what they learned on our trip!

If you have questions or would like to know more about our learning, please email, call, or send a note to school with your child.

We would love to hear from you!
