

## Dear Families,

The new school year is here, and we encourage your students to accelerate their literacy growth with myON!

Students have access to thousands of myON digital books to read outside of school time. Wherever they choose to take a digital reading adventure—to the ocean, the mountains, deep into the forest, out into space, back to the past, or ahead to the future—they're sure to find a myON book to guide them.

Because myON is available 24 hours a day, 7 days a week, students can read every day, anytime, and anywhere they have an Internet connection. They can even download books to read offline using free mobile apps. You can find details about mobile apps at <https://help.renaissance.com/myON/myon-apps>.

Your students are able to keep track of their reading progress with myON, and they can share that information with you, too. We encourage you to help your students establish at-home reading goals for this school year and help them celebrate when they reach those goals.

Reading every day is important—and reading is fun! We hope you enjoy a great year of reading and learning together as a family, exploring the thousands of adventures available with myON!
