Schedule a biometric screening today

With UnitedHealthcare Rewards, you can earn rewards for completing a biometric screening.

What is a biometric screening?

A biometric screening measures numbers related to your blood pressure, glucose, cholesterol, weight, and more.

What can your results tell you?

Results can help identify health issues and allow you to work with your healthcare provider to help reduce your risk.

On-site screening details

Date: 10.10.2025
