year!**

## About Me

Hello! I am Mackenzie Rongey, and I am so excited to be teaching third grade this year! I live in Fenton, MO with my husband and two kids, Oliver (9) and Penelope (6).

I attended UMSL where I received my Bachelors in Early Childhood Education. In 2016, I completed my first Master's Degree in Gifted Education

I come from a family of teachers. In my family, there are seven people currently in education. They include my two sisters (one being Mrs. Tobias who teacher's 5<sup>th</sup> grade at BWCJA), three cousins and two aunts. My mom and grandfather have also been teachers! I

like to say that teaching runs in my blood! I love learning new things and continuing to find ways to master my teaching. This is my 12<sup>th</sup> year at BWCJA. This is going to be such a fun year!

## Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
