

Does your child need new glasses?

In response to COVID-19, Eye Thrive is proud to make and safely ship to their home **FREE** prescription glasses for any child that:

has lost or
broken their
glasses

and

is between the
ages of 4-18

and

has a
current, valid*
prescription.

To request a pair of glasses, parents or caregivers should complete and return a Glasses Request Form. Printed forms will be available through community partners, and can be printed from: **www.eyethrive.org**.

It's easy to return your completed Glasses Request Form by:

Text: 636-789-8740

Email: glasses@eyethrive.org

Fax: 314-736-1425

Mail: 229 Millwell Drive Maryland Heights, Missouri 63043

*Eye Thrive will follow up
by phone or email
on all received requests.
Call 636-789-8740 with questions.*

EYE THRIVE

**a signed prescription from an
optometrist or ophthalmologist
that has not expired (generally
within a year of the exam date).*

Eye Thrive is a St. Louis non-profit that provides free vision screenings, eye exams and prescription glasses to children at their schools and community centers on-board our Mobile Vision Clinic.
