Dear Mason Families:

Welcome to 2024-2025 school year!

My name is Nadine Poindexter, and I am the Family Support Specialist assigned to Mason School of Academic and Cultural Literacy. I am excited to begin this school year by sharing ideas and expanding parent engagement in our school community. I have been a member of Mason's staff over 20 years, assisting in classroom instruction, facilitating parent group and coordinate community outreach services.

My goal this year is to expand opportunities for our community partners, tutors, and congregational groups to help our scholars and their families achieve their academic goals. We will offer activities and programming to encourage families to practice skills taught in their scholar's class while at home.

I would like to encourage you to reach out to me to discover the many opportunities to get involved in our school community. Please contact me if you have any questions, suggestions or concerns at school, 314-645-1201 or email: Nadine.poindexter@slps.org.

Thank you for choosing Mason for your scholar's academic center.

Sincerely,

*Nadine C. Poindexter
