VISUAL ART WITH MS. NORMAN

Students have been studying the Elements of Art. We have covered line and shape and looked closely at paintings featuring those elements. The SLPS Safety Contest is open to all students that would like to submit a drawing. The theme this year is 'Getting through Covid 19 Together'. Art can be submitted as a file, post or via email.

MUSIC WITH MS. V

We are having a blast in Music Class! We are learning about the building blocks of music, like steady beat & rhythm through a variety of activities and songs. Students tune in to **LIVE Music Class** each week on their Classroom Teacher's Team, followed by asynchronous work found on their **Class Music Team**.

P.E. WITH COACH NEUNER

First quarter we are building our tool kit of exercises so that we can have a wide variety of options when we are being active at home. We have learned have to create a safe space to move in no matter where we are. We are learning about crossing the mid line and turning our brain on. My older friends are learning about making good nutritional choices. We are building the foundation for a healthy life!

Did you know???

You can re-watch any recorded PE lesson. If you forgot something or if you really enjoyed our time together!

michael.neuner@slps.org

HEALTH & CREATIVE LEARNING WITH MR. JENKINS

We have been working on ways to connect with each other virtually through online virtual games and activities designed to engage through the imagination as well as creative thinking. At the end of class, I leave the students with an Asynchronous lesson that asks them to expound on their own thoughts often saying there is no right or wrong answer.

gregory.jenkins@slps.org

We miss seeing you in person!

Don't forget to log into our LIVE classes during your class' ancillary time. We want to see all of your faces! LIVE Classes meet on the Homeroom Teams; Assignments can be found in our Related Arts Teams.
