

MEET THE TEACHER

Hi there, I'm Abby Arndt your child's kindergarten teacher for the 2022-2023 school year.

This is my 6th year teaching at Mason School and my 10th year teaching. I have a Bachelor's degree in Elementary Education from Rockhurst University. I have taught 6 years in 2nd grade, 2 years in 1st grade and this is my 2nd year in kindergarten.

I love working with students and help them reach their full potential. I like to help build confidence and curiosity into my lessons. My class is very hands-on and full of project-based learning.

When I am not at school, I am spending time with my husband, Ian and our twins, Fritz and Ramona. I also tend to my many house plants and making woven wall hangings.
