I am excited to welcome you to the 2020-2021 school year at Classical Junior Academy! I’m looking forward to having your child as a student. Kindergarten is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home. While the beginning of this school year proves to be one for the history books, our community will be just as strong and positive virtually as it would be in person. I can’t wait to get started!

About Me
Hello! I’m Mallory Dauphin, 34 years young and so excited to come back to teaching! I live in Swansea, IL with my husband and two boys that keep me insanely busy.

I attended UMSL where I received my Bachelors in Early Childhood Education. Over the summer I finished my gifted certification through Lindenwood University. After teaching Pre-K at Kennard from 2010-2013, I took a break to raise my boys which was one of the hardest decisions I’ve ever had to make. The easiest decision? Coming back to CJA where I feel at home, respected, and most of all love the families and students that attend.

Contact Me
I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
