# teacher!

## WELCOME!

**Hello students and families!**

I am so excited to begin the year as your art teacher. For those of you that have been with me for a while, I **can't wait to see you again**. For those of you that I haven't met yet, I **can't wait to make art with you soon!**

**Art class will look different this year, but together, we will learn, create, and have fun.** Virtual Learning will be challenging at first. I will be always be here to help, to chat, and to create with you! **Art Class will continue to be your place to relax, express yourself, and grow.** I will be reaching out to you more in the first week of school, plus every week after that, to guide you through another amazing year!
