To Woodward Elementary Parents-Guardians & Community Partners

My mission is to intentionally engage parents and the community in developing effective relationships and partnerships, ultimately ensuring our students achievement and school improvement.

My vision is one that provides the presence of collaboration and communication between parents, school staff and the community to intentionally promote parental participation in our students' achievement and school activities.

FCS core:

- Intentionally assist to create a home environment to support children as students
- Intentionally & effectively communicate between school and home
- Intentionally recruit & organize parental involvement win-win opportunities
- Intentionally provide information & ideas to enhance learning at home
- Intentionally involve parents as leaders & representatives in the school's decision-making processes
- Intentionally identify and integrate community resources to strengthen school programs, family practices and student development

I am excited about serving both Woodward Elementary, and our surrounding community.

Sincerely,
Woodward Elementary Family & Community Specialist
