Mrs. Kathryn Hall

Welcome to 3rd Grade!

I am looking forward to having your child as a student, this year. Third grade is such a fun year with so many wonderful learning opportunities. My most important goal is create a safe and encouraging environment, where students believe they can be anything or anyone they want to be. Parents, you know your child better than anyone. Please help me achieve this goal by communicating with me and letting me know how I can support your child and your family. We will get through this year together. Please reach out to me with any questions or concerns.
