The Nance School Pledge
I, as a Nance Knight, pledge to respect my teachers, our building, my classmates, as well as myself.
I will come to school on time daily, with the tools that I need, and an open mind for learning.
I will stand tall and strong to be a leader instead of a follower.
I will work hard and smart to achieve my goals for learning.
I will present myself as a knight whose armor will shield all negative thoughts and actions from me at all times.
I believe that by living by this pledge will make me a successful knight and a successful student.
