We are in this together!

This school year is starting off different than what we thought, but please know that we are here for you and your family!

Microsoft Teams

Go to the Calendar tab to join your child's Teacher's classroom. Press the Join button and have your child wait in the waiting room until class starts.

The screenshot displays the Microsoft Teams mobile application interface. At the top, the status bar shows the time as 11:45 AM on Thursday, August 27, and the battery level at 83%. The app's navigation bar includes icons for Activity, Chat, Teams, Assignments, Calendar, Calls, and a More menu. The main screen is divided into two panels. The left panel, titled 'Calendar', shows a list of events for August 27 and August 28. The right panel, titled 'Mrs. Smith's Live Classroom', provides details for the selected event, including the date (Friday, August 28, 2020), time (8:15 am - 11:30 am), and a 'Join' button. Below the event details, there is a section for 'SHARED TO CHANNEL' and a list of participants, including 'Smith, Megan E.' as the organizer. An orange arrow points to the 'Calendar' icon in the bottom navigation bar.
