

SHENANDOAH ELEMENTARY SCHOOL

Shenny's Tiger Talk

VOLUME 3, ISSUE 6
APRIL 2022

A message from our PRINCIPAL....

Spring Break has come to an end and now we look to finish strong. With March came some aspects of getting back to normal, now we start to prepare for testing and closing out the school year.

With only a two weeks until M.A.P testing, it is time for students to use their tools to show what they know in both reading and math. It is imperative that all students are in school during these assessments and report on time (9:05am), this will help to create a productive testing environment for all students. All students in grades 3-6 will be taking these tests. Our 5th graders will also participate in the Science M.A.P test as well. What your child is learning on a daily basis builds the foundation for being able to demonstrate high achievement on tests. Let's show them what we know.

Lastly, I want to express my gratitude for our teachers and staff at Shenandoah. What a wonderful job they are doing keeping students engaged, learning and excited about school each day during this crazy year. We are so lucky to have such a hardworking group of individuals. Happy Spring everyone!

Mr. Rooney

RoadMAP to Success Spirit Week *ROCKING THE MAP TEST!*

Families we invite you to help support our 3rd-6th graders during MAP testing by participating in our school spirit week.

April 18-MONDAY* It All Begins Here!
Wear your school spirit gear. (Orange, black or white) **Our school's mascot is the Tiger**

A word from our Academic Instructional Coach...

Spring is upon us and we are getting ready to begin MAP testing in grades 3-6. Our teachers and students have been working hard all year and are now ready to ROCK THE MAP! As we enter testing mode, please remember it is very important to be at school every day and on time.

MAP TESTING DATES:
Monday, April 18-Friday, May 20, 2022

WE WILL START MAP PREPERATIONS AT
9:15 DAILY

Earth Day Pledge

Shenandoah Tigers, we invite you to help celebrate 'Earth Day' by pledging to do your best to conserve Earth's resources and reduce pollution by making a commitment to do at least one of the following...

1. Recycle-Reuse-Reduce
2. Turn off all lights when not in use
3. Do not litter.

Ways to celebrate Earth Day

PARENTS AND GUARDIANS

Ways to support your child(ren) during our **'Road to Success' MAP Testing**

1. Make sure your child(ren) are at school and on time everyday
2. If you child is sick please contact the school immediately to inform them.
3. Make sure your child gets an ample normal amount of sleep daily.
4. The student should eat a nutritious and filling breakfast. Avoid high sugar cereals which can make the student hyper and/or unfocused.

Parent Tips: Reading with your child for at least 20 minutes a day helps to improve academic achievement.
