## Shenny's Tiger Talk

Volume 3, Issue 3

Nov/Dec. 2021

**Our Mission:** Shenandoah is committed to working together to inspire greatness in every classroom every day relentlessly for all students in our care.

**Our Vision:** The Shenandoah community will inspire every student through relentless rigorous instruction to ensure they develop into citizens of intelligence and character in a dynamic

### From the Principal's Desk

Parents and Guardians,

I can't believe it's almost December. As we prepare to close out the first semester and the year 2021 I wanted to send out a couple reminders for all of us.

Thank you to all that are sending students to school with their masks every day. The effort is appreciated and helpful in keeping everyone safe. Continue to remind students to keep the mask on and over the nose as we continue to keep safety a priority here at Shenandoah.

Attendance is so important. Please do your best to get students to school and to get them on time. We know we have some catching up to do and the more time we have the better. The academic portion of the day starts at 9:10 AM and concludes at 3:40 PM.

In closing, with the holidays around the corner, feel free to reach out with anything you may need. We will always see what we can do and assist any way we can. We are in this together. I appreciate all that you do.

Chad Rooney  
Principal

### BE HERE....ATTENDANCE MATTERS!!

Daily, on-time attendance is critical for your child's academic and social development. All students are expected to attend school 95% of time or more!

School hours are **9:10 AM-4:07 PM** during the 2021-2022 school year. All students will enter the building through Door 5(Gym), beginning at 8:50 AM. Breakfast is provided for all students each day.

The school day ends at 4:07 PM. Students who are pick-up may be picked up beginning at 3:50 PM from their designated location (**Door 7= 2<sup>nd</sup> Grade- 6<sup>th</sup> Grade, Front Entrance= KG- 1<sup>st</sup> Grade, and Door 2= Pre K**). If you need to change your child's transportation on any given day, please communicate this change to the main office by 3:00 PM.

### Teacher's Shout Out....

Ms. Wittenauer's class Gobbles up Knowledge as they helped keep their school Safe and Clean.

Several wonderful-great 3<sup>rd</sup> grade students from Ms. Wittenauer's class decided our playground needed some attention. During their lunch recess, they swept and shoveled to rid the area of dirt, trash, sticks and rocks. The playground now looks amazing! Possibly the most fun was unearthing and relocating *huge* worms!

So very proud of these students for the caring and perseverance they showed to beautify their school.
