

Dear Parents and  
Teachers

*Thank You*

**Together, we're creating a  
great school environment**

**Here's what happened last year:**

We held two workdays to beautify the outdoor space including planting a pollinator garden, setting up three raised beds, painting games on the concrete, and assembling a composter and outdoor storage unit!

For families and students - hosted a table at STEAM and Treat with a fun activity!

For teachers - hosted a plant a plant afternoon for teacher appreciation week!

Hosted a variety of fundraising events. See more in the financial section. Hosted 4 PTO meetings, some with special guests who led parent-focused activities.

Sponsored a presentation at the school by St. Louis Story Stitchers, a group of teens who created a performance on gun safety and healthy eating.

**Financials**

**Current account balance: \$4,047.77**

**Last year our largest expenses were**

**\$1000 directly to teachers to make classroom purchases**

**\$1,598 to purchase t-shirts to resell as a fundraiser**

**Where did money come from?**

**\$3,000 from individual donations**

**\$115 from a fundraising night at Rockin' Jump**

**\$250 from the TGE Neighborhood Association**

**\$400 from the yard sale**

*And on to the next year!*
