Shenandoah Elementary 2020-2021

Back to School Information

Welcome to 2020-21! As we plan for a beginning like nothing we have seen in the past, we have made some shifts in teaching and learning... common schedules, easy to access digital resources, and more streamlined communication to name a few.

What I want to continue to ask you is for patience as we move into week one of virtual learning. Things are not going to be perfect next week, but that is okay! We will continue to be flexible and adaptable to all the challenges that come our way. Below is information about the start of the year and material distribution for families.

➢ School is 100% Virtual for the First Quarter
➢ School starts August 31st

School Supply & Technology Distribution

All students will pick up materials at Shenandoah Elementary.

- PK students will receive school supplies.
- K-6 students will receive an iPad and other necessary items to begin the school year.

Please see the schedule below.

- Families will enter at door #7 on the Tennessee side of the building
- Social Distancing Protocol will be followed; Masks required; Temperatures will be taken
- Families with students in multiple grades can choose to pick up all supplies at the assigned time of their youngest student:
