

Meet the Nurse *eee* Stephanie Lynch

About Me

eee

I'm excited to be back at Mallinckrodt for the 2025-2026 school year! I started with SLPS in January 2021. I also have nursing experience in medical-surgical, antepartum and long-term care. In my free time, I enjoy attending Cardinal and Blues games, line dancing, spending time with friends and family, and traveling.
