

MS. VIVIANO'S

4TH GRADE CLASS

My name is Kara Viviano, and I am a 4th grade teacher at Mason Elementary. I graduated from Lindenwood University where I earned my Bachelor of Arts in Elementary Education. This is my 2nd year teaching and my first year at Mason. I love to learn! My goal is to cultivate the same love of learning in all my students. I am so fortunate for the opportunity to support learners and their families this school year!
