**Peabody Elementary School**  
**2021-2022**  
**School Parent and Family Engagement Policy**

In addition to the district parent involvement policy, each Title I building must jointly develop and distribute to parents and participating children a written parent involvement plan. The plan must be updated periodically to meet the changing needs of parents and school, and be in a format and language readily understood by parents and district personnel. If the building already has a plan for involving all parents, that plan may be revised to meet the federal requirements.

**Strategies for Involvement**

Peabody will hold an Annual Title I Meeting in August to explain Title I requirements and parents' rights to be involved.

- Parent Involvement Policy
  - Parent Compact
  - Student Handbook
  - Parent Complaint Procedure
  - Parents Rights to Know
1. Throughout the school year, parents will receive ongoing feedback through PTO meetings, Parent Teacher Conference, Lunch with Your Child Day, Parent Volunteer Recruitment, and Math & Literacy Nights. All meetings will be held to accommodate parents' schedule.
  2. Principal, Family Community Specialist, Community members, two parents and staff members will be involved in planning, reviewing, and improving our programs designated under Title I.
  3. During monthly parent meetings with the instructional team, we will guide parents through Title I programs and information regarding testing data, classroom activities and class assignments. There is no open-door policy regarding Parents Rights to Know, however parents can schedule meeting with classroom teachers and instructional teams during their planning periods. Committee will submit feedback within a week of the meeting. Our school wide plan will be available for parents to review and make comments.

### **Shared Responsibilities for High Students Academic Achievements**

Beginning September and throughout the school year parents will receive the School Parent compact. The compact is developed by the instructional team. The compact consists of school, students and parents' responsibilities.

- i. To provide highly trained teachers
- ii. Use of technology
- iii. Safe and orderly environment
- iv. To engage students field activities to broaden their cultural experience
- v. To implement a yearly calendar of events and activities for parents

### **Parent's Responsibilities**

- i. To support child/ren in attending school daily
- ii. To create an environment for homework to be completed at home
- iii. To familiarize themselves with teachers and programs available at the school

Peabody will also share in this responsibility by contacting parents via phone calls and emails. The family and Community Specialist will help engage home and school connections. Parents will be notified regarding progress reports, conference times and meetings.

### **Expanding Opportunities for Involvement**

Parents will receive assistance with the state's MAP Assessment. The instructional team will provide data and training on implementation of data. Parents will also be trained on the use of technology to enhance their understanding of all data. The parents' resource room will provide materials and information related to the Title I activities and will be disseminated in a format and language that can be comprehended by all. Parents will be involved in parent meetings, school activities and events.
