

## Shenandoah Elementary School Volunteer Opportunities

Thank you for your interest in volunteering at Shenandoah Elementary School.

**Volunteers** in the Building: We are now allowing Volunteers in the buildings. Volunteers must be fully vaccinated and need to complete a Volunteer Application. Mr. Ryonnel Jackson can assist you or please reference the website, <a href="https://www.slps.org/Page/24422">https://www.slps.org/Page/24422</a>

Shenandoah Elementary School is 'geared up and ready' to alwayswelcome volunteers. We invite you to become and stay connected by volunteering in an area that best meets your skills and talents.

All volunteers must have an approved volunteer application on file with the St. Louis Public Schools office of Volunteer Services before volunteering at our school.

The completed application may be returned to our school office.

Please use the <a href="https://www.slps.org/Page/24422">https://www.slps.org/Page/24422</a> link to obtain a volunteer application or contact the school office at (314)772-7544.
