

NURSE DALBY

ABOUT ME

My name is Nurse Dalby and this is my 3rd year at Hodgen! I was born and raised in a small town in Central Illinois, but fell in love with STL when I came to visit on family trips! I moved down here in 2021 and have been loving it ever since. My sweet Hodgen students make my job so much fun and I am looking forward to another amazing school year with them!

HOBBIES

- I love to travel, bake, listen to podcasts, read, and spend time with my pup Lucy <3
