

Dear Parents, Guardians and Caretakers;

Thank you for allowing St. Louis Public Schools/Shenandoah Elementary School to educate your child. We believe that Family-school relationships are cultivated and sustained through successful parental involvement and family engagement over time. When educators and parents work together as partners, they create important opportunities for children to develop social, emotional, and academic competencies. District, schools, and families all have essential roles to play in promoting children's positive development and academic performance. Family- school relationships are an ongoing process as mutual concerns and support is enhanced.

Because we believe that you are a valued partner and we consider our parents' perspectives, we have created a survey that promotes in the development and support of two-way communication between home and school. The survey is designed to promote and enhance a culture of collaborative family-school relationships. Our desire is that we gain a successful connection amongst parental involvement and family engagement.

We are asking that you would take a few minutes to help better connect between school and home by completing the Family-School Relationship survey. You may simply scan the QR code and it will take you directly 'Family-School Relationships' survey. It is our desire that every student achieve and succeed while having a positive educational experience....**WE ARE 'BETTER TOGETHER!'**

You may direct any questions to our Family and Community Specialist, Ms. Myers @ 314.772.7544 or Constance.Myers@slps.org between the hours of 8:10am-3:07pm.
