### About Me

I am a mom of two amazing children. I have a 16yr old daughter who is starting her junior year at Soldan and a 9yr old son that is a student here at Bryan Hill. I am currently enrolled at UMSL to obtain my master's degree in early childhood education. I love crafting and doing hair in my free time.

## Ms. Stanley

### About Me

I am the oldest of 4 children, and my mom was a teacher for over 20 years. I have 2 wonderful children who inspire me daily. I love music and using music to learn. I just graduated from St. Louis Community College with an associates in arts and am currently pursuing my bachelor's degree in early childhood education in the hopes of becoming a preschool teacher myself soon.

I am super excited to be back in the building as the Teacher's Assistant in Room 109. This is going to be a great year and I can't wait to get to know everyone and be a part of your child's learning.
