

## **Snow Day**

I get up. I can't believe my eyeballs. Outside, ev'rything is white. Inside, I hear it on the radio. We're gonna have a snowball fight.

Cause it's a...SNOW DAY! Playing in the white stuff.
Snow day! Sledding down a hill.
Snow day! Working on a snowman.
Snow day! Think I'll name him Phil

My mom says I gotta put my coat on. She says I could catch a cold. I think I'm bundled up a little tight. I feel like I'm in the North Pole

Cause it's a...SNOW DAY! Playing in the white stuff.
Snow day! Sledding down a hill.
Snow day! Working on a snowman.
Snow day! Think I'll name him Phil

The day's done. I walk back home all frozen.

Cold hands; my mittens are wet.

Cold feet; I lost a boot back in the snow.

But I would do it all again.

Cause it's a...SNOW DAY! Playing in the white stuff.
Snow day! Sledding down a hill.
Snow day! Working on a snowman.
Snow day! Think I'll name him Phil

## a snowman?

Do you want to build a snowman?
Come on, let's go and play!
I never see you anymore--come out the door
It's like you've gone away
We used to be best buddies,
but now we're not
I wish you would tell me why.
Do you want to build a snowman?
It doesn't have to be a snowman.
Okay, bye...

Do you want to build a snowman?
Or ride our bikes around the halls?
I think some company is overdue.
I've started talking to the pictures on the walls (hang in there, Joos!)
It gets a little lonely; all these empty rooms.
Just watching the hours tick by (tick tock, tick tock)

Please, I know you're in there.
People are asking where you've been.
They say, "Have courage!" and i'm trying to.
I'm right out here for you; just let me in.
We only have each other. Just me and you.
What are we going to do?
Do you want to build a snowman?

I get the wiggles in the winter
I get the wiggles when it's cold outside.
I think it's thrillin', but I wont be chillin'
'Cause I can't hold this wiggling inside!

I've got the wiggles! The winter wiggles! I've got the wiggles! The winter wiggles!

I've got the frosty, freezy, icy, breezy wiggles I've got the chilly-willy, can't stand stilly wiggles.

I get the wiggles in the winter.

I get the wiggles when it's cold outside.

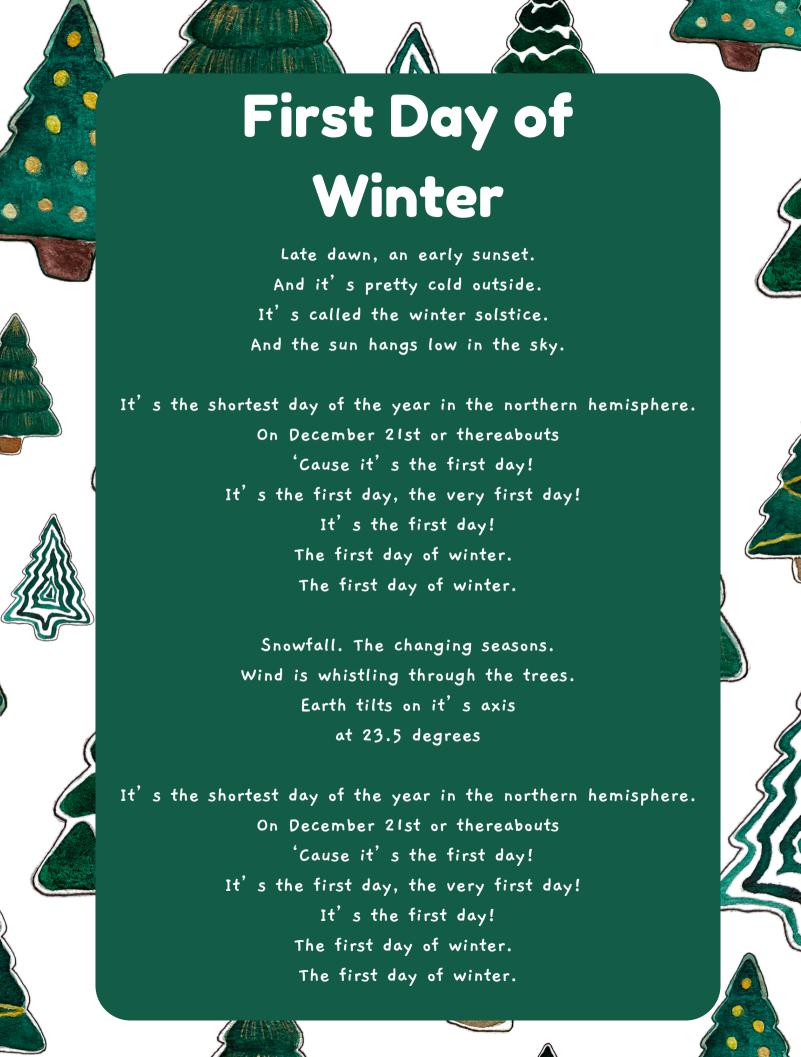

I think it's thrillin', but I wont be chillin'

'Cause I can't hold this wiggling inside

I've got the wiggles!
The winter wiggles!
I've got the wiggles!
The winter wiggles!!!!!!

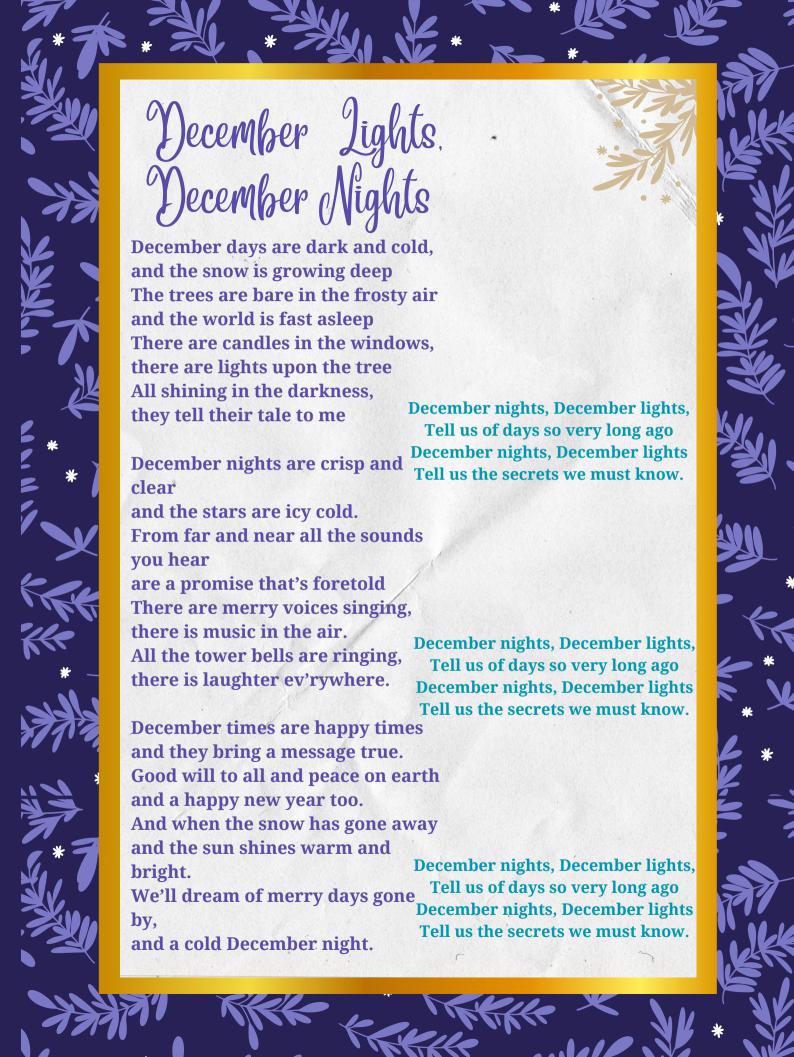

## THINK

Think snow--ev'ry where you go And snowflakes will appear Think Snow--then before you know They'll fall-in through the frost-y air

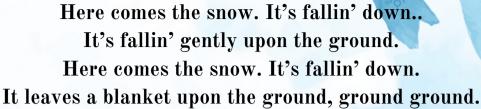

Picture yourself ski-in' down that mountain Can't you just feel your-self go> You're in the lead as you pick up speed Now, all you need's a little snow!

Think snow--Tell ev'ry one you know
To spread the mess-age loud and clear
Think snow--and soon it will be so
It's our favorite time of year

So take out your ice-skates and break out your sled
Get ready for the winter winds to blow
It'll be here in a wink if we all
just think snow
THINK SNOW!

Snow, snow, snow, snow, snow, snow, snow Snow, snow, snow, snow, snow, snow, snow

Peacefully the flakes of white are falling down on us tonight
Stay in by the fireside or bundle up and go outside.

Down the road upon a sleigh just having fun this winter day
Down the hill upon a sled, then snuggle up in a winter bed.

Falling down, down, down, down. Falling down, down, down.

Here comes the snow, it's fallin' down
Here comes the snow. It's fallin' down..
It's fallin' gently upon the ground.
Here comes the snow. It's fallin' down.
It leaves a blanket upon the ground, ground ground.

Peacefully the flakes of white are falling down on us tonight
Stay in by the fireside or bundle up and go outside.

Down the road upon a sleigh just having fun this winter day

Down the hill upon a sled, then snuggle up in a winter bed.

Falling down, down, down, down.
Falling down, down, down.

Here comes the snow!
