ABOUT ME

My name is Ms. Thompson.

This will be my first year as a school counselor at Ames VPA! I am very excited to begin and support our students.

I was a physical education teacher for five years before returning to school to receive my Masters degree in Counseling.

I would like the students here to think of my office as a warm and friendly place, where they are always welcome. My office is also a safe haven - a place where they can get help if they feel confused or worried. I plan on working with students at the classroom level, small group level, as well as at the short-term individual counseling level.
