About Me:

Hello! My name is Tamela Wilson-Hanna, and I am so excited to be a part of your child's educational journey this year. I wanted to take a moment to introduce myself and share a bit about my background, my goals, and what inspires me in education.

I'm originally from Illinois and a proud boy mom of two adult sons who have been my greatest teachers in life. My love for education and supporting young learners has been a guiding force throughout my career. While I am currently working toward attaining full teaching certification, I bring a strong foundation in educational practice and a passion for creating meaningful learning experiences tailored to each child's unique needs.

Gifted learners hold a special place in my heart as I believe in fostering their curiosity and providing challenges that excite and engage them. I strive to create an environment where every child, regardless of their abilities, feels seen, valued, and empowered to thrive.

In addition to my dedication to education, I have a love for shopping, interior design, and all things rose gold (it's my favorite color!). I believe creativity is key, whether it's in designing a beautiful learning space or finding innovative ways to keep students engaged.

I'm looking forward to partnering with you to make this a memorable and successful year for your child. My door is always open, and I welcome any questions or concerns you may have. Together, we can ensure your child has a strong foundation for future learning and success.

Let's make it a fantastic year!
