SUITS 2 SUCCESS, Mwalimu Willis

This is the second Annual Suit's 2 Success project. Summers Science Department and stakeholders collaborated together to give the Senior Boys

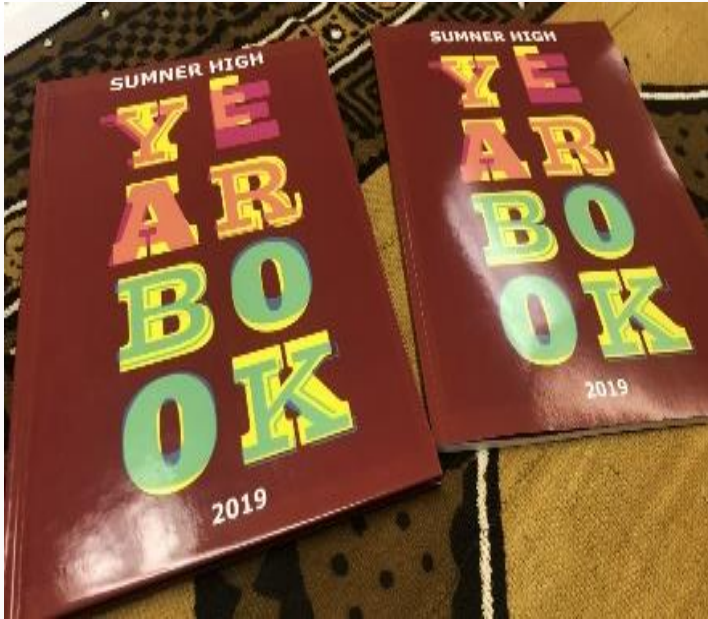

their first Tailored Suits for their first job interviews or events post-secondary. This project is preparing our boys to men in the way of dress appropriateness for interviews as well as attending events where suits are required for attendance. In addition, male volunteers came out and showed them how to tie ties, emphasize on proper grooming and interview etiquette. Each senior male will be given a letter of guidance from black men from variety of professional careers to guide them along their journey from teenagers to manhood. With the numerous sponsors and donations from individuals and organizations this project became successful again this school year

If you or your organization would like to be a sponsor for Sumner's 2019-2020 Suits 2 Success project. Please contact Ms. Rhea Willis at <https://www.rhea.willis@slps.org>
