Dear Yeatman-Liddell College Preparatory Families:

On behalf of the staff at Yeatman, I am so excited to welcome you to the 2022-23 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that to be successful in school, our children need support from both the home and school.

As we prepare for this upcoming year, there are a few things to make note of as we begin the school year:

1. Every student will have supplies provided for them by SLPS. (Distributed during the first few days of school).
2. New Students please make sure you have completed a FULL Registration Packet. Please call 314-261-8132 for Questions.
   Returning Students: Please make sure your information is updated if anything has changed.
3. We are a uniform school. At least 1 uniform shirt will be provided to every student.
4. We are a cell-phone free school. Cell phones are collected and distributed back to students each day. If you do not want to partake in this process it must be left at home.
5. Please review our Student/Parent Handbook (Attached) for any other information or for general school information, please visit our website at www.slps.org/yeatman.
