

MEET YOUR TEACHER

Marla Finley

Hello happy kindergarten campers and families! I can't wait to start the 24-25 school year. I have taught with SLPS for 17 years but have over 20 years experience in Early Childhood Education. In my classroom, I love to empower the students to believe in themselves. I believe that providing the right learning environment is essential because it fosters independence and creativity. I will be focusing on phonics learning this year. I recently completed a 2-year training program focusing on the science of reading. I look forward to getting to know you child!

Please take a moment to share information about your child here:
