

# MEET YOUR TEACHER

## MARLA FINLEY

Hello happy kindergarten campers and families! I can't wait to start the 23-24 school year. I have taught with SLPS for 15 years but have over 20 years experience in Early Childhood Education. In my classroom, I love to empower the students to believe in themselves. I believe that providing the right learning environment is essential because it fosters independence and creativity. I will be focusing on phonics learning this year. I am participating in a 2 year training program focusing on the science of reading. I look forward to getting to know you child!
