

Leadership Development

Supports Goal 2: **The District cultivates school leaders in administration and classroom.**

★ SLPS will create, communicate and identify (quality and quantify) key characteristics of excellent leadership in the district.

Recent Achievements

- 100% of selection rubrics for Aspiring School Leaders and Principal Selection derived from competencies are outlined in the new Leader Framework.
- Sub-committee values, competencies development work is complete.

Key Items In Progress

- Mapping out expected competencies and outcomes continuum for principals in years 1-5+
- Convergence map of leader recruitment, retention and effectiveness is in development.
- Developing depository and templates for storage of project artifacts (framework, tools, etc.)
