

# Schools Portfolio Project

Supports Goal 1: **The district supports a system of excellent schools.**

★ Identify schools that need to be consolidated or transformed to better match the enrollment needs and desired school options of parents and students in the city

## Recent Achievements

- Deep community engagement process, including 21 school-level community meetings
- Eight schools were designated to remain open under new designs, and two were designated for consolidation.

## Key Items In Progress

This project is closed, however the following tasks are occurring:

- Placement of students
- Reassignment of attendance boundaries
- Re-theming of schools
