

Teacher Support

Supports Goal 2: **The District cultivates school leaders in administration and classroom.**

★ Teachers will lead instruction that increases student achievement on multiple assessments, including reading benchmarks and state tests.

Recent Achievements

- Completed all Train-the-Trainer sessions for *Teach Like A Champion* and delivered three sessions to district teachers
- Increased the number of schools participating in PD in the PLC from 3 to 10. (This work and the successful implementation will be shared at Learning Forward Conference in March 2017)
- Restructured the Districtwide PD Committee to serve as a vehicle to highlight and enhance teacher leadership practices

Key Items In Progress

- Continuing to revise district curriculum resources to align to revised state standards
- Working collaboratively with the St. Louis Plan and consultant teachers to enhance quality professional learning practices from new teachers to master teaching in SLPS
- Continuing progress in developing and implementing micro-credentialing as an incentive for recognizing teacher leadership and sound instructional practices
