

# Welcoming Environment

Supports Goal 4: **Partnerships support students.**

★ By 2017, 90% of families and community partners will give our schools an “A” when asked to rate if schools are welcoming and supportive.

## Recent Achievements

- All surveys for 2015-2016 have been completed and analyzed. More than 2,000 responses were received.
- Volunteer opportunities were posted on STL Volunteer website beginning 1/23/17.

## Key Items In Progress

- Customer service comment boxes and comment cards for online/telephone responses will be delivered to schools in January 2017.
- Nomination opportunities for Welcome Environment Stars begins in February 2017.
- Final PD training session is 2/17/17.
