-----------------	-----------

Saint Louis Public Schools (SLPS) utilizes a Chart of Accounts that aligns with the standards set by the Missouri Department of Elementary and Secondary Education (DESE) Financial Accounting Manual. This chart functions as a structured and comprehensive listing of all financial account used by the district to categorize and track all monetary transactions.

SLPS CHART OF ACCOUNT STRUCTURE						
Fund	Function	Object	Location	Project	Fiscal Year	Example
110	1151	641101	1860	000000	00	GOB
150	1251	641101	1860	451001	26	GRANT

Fund	Categorizes the District into two types: the General Operating Budget (GOB) and Non-General Operating Budget (Non-GOB). GOB funds primarily consist of local and state dollars that are allocated to fulfill the general operational needs of the district. Non-GOB funds mainly federal funds utilized to support grants (such as Title Funds) and other funded programs. Non-GOB funds are typically subject to specific compliance mandates, regulations, and reporting requirements.
Function	The action, purpose or program for which activities are performed.
Object	Represents the specific revenue or expenditure items, which are further categorized by specific types.
Location	Used to identify specific schools within a district, as well as different departments or areas such as administration, school services, maintenance, and operations.
Project	Used to identify GOB & grant expenditures by specific grant or activity.
Fiscal Year	Represents the fiscal year the expenses occur. SLPS fiscal year is July 1 thru June 30. GOB fiscal year will always appear as “00”. Grant budgets will always have a two digit number, "26", to represent the fiscal year in which the grant funds were awarded.
