Section 1. INTRODUCTION AND ANNOUNCEMENT FOR SEALED PROPOSALS

INTRODUCTION:

The Special Administrative Board of the Transitional School District of the City of St. Louis (d/b/a St. Louis Public School System) (the “District”) wishes to contract a firm (s) to provide:

- 1) Design Builder Scope of Work is responsible for:
 - a) Engineering, design, building and management of construction work for the Dunbar Boiler(s) Replacement Project.

NOTICE TO BIDDERS:

Copies of this **RFP # 009-1617 Dunbar Boiler (s) Replacement Project** may be obtained from the District’s website at www.slps.org under “Site-Shortcuts”, “Purchasing / RFPs”, or from the Purchasing Department, St. Louis Public Schools, 801 North 11th Street, St. Louis, MO 63101.

The District reserves the right to accept or reject any or all Proposals (as hereinafter defined) and to waive any irregularities. The District also reserves the right to negotiate with selected firms regarding pricing and fee structures. All information included in a proposal may be incorporated into the contract to be entered between the District and the successful Bidder (as hereinafter defined). Any contract awarded as a result of this RFP will be awarded without discrimination on the basis of race, color, religion, age, sex, sexual orientation or national origin.

Section 2. NA

Section 3. INSTRUCTIONS TO BIDDERS/GENERAL INFORMATION

Form of Submissions: Each person or entity submitting a response to this RFP (each “Bidder”) should prepare and submit their proposal in response to this RFP (“Proposal”) in a sealed envelope or box. **The Proposal shall include one (1) original, three (3) copies and one (1) electronic Proposal on CD or flash drive.** The upper left hand corner of the package (envelope or box) shall be plainly marked as **RFP # 009-1617, Dunbar Boiler (s) Replacement Project**

- 3.1 The proposal, along with the firm name and the package shall be addressed to:
Purchasing Office of the St. Louis Public Schools
Second Floor – Cashier’s Window
801 North 11th Street
St. Louis, MO 63101

- 3.2 Manner of Submission** – The sealed Proposal must be received at the address listed in Section 3.1 on or before, **August 31, 2016 at 10:00 A.M.** Each Proposal will be date and time stamped upon receipt at the Cashier’s Window. Proposals received after that date and time will not be considered and will remain unopened. Proposals must be filled out as requested including all required signatures and pertinent information. Failure to do so is reason for rejection of the Proposal. If Bidder is a corporate entity, the entity’s name must be correctly stated, and the Proposal must include the state of incorporation of such entity, and, if a foreign entity, proof of registration to transact business in the state of Missouri. A person with the authority to act on behalf of the entity (i.e. an authorized agent of the entity) must sign his or her name on the Proposal.
- 3.3 Format of Proposal** - Each Proposal must include the information required in Section 5. Each required response listed in Section 5 shall be included as a required document with Attachment B.
- 3.4 Questions About this RFP** - All questions regarding this RFP shall be made electronically via e-mail in writing and directed to Rick Schaeffer at rick.schaeffer@slps.org. The subject of the e-mail shall be “QUESTION - RFP# 009-1617”. Failure to provide the correct RFP number in the email will deem the question unanswerable and will not be considered as part of any addenda. Any questions submitted after the dates and times listed on the first page above shall not be considered or answered. Questions properly submitted in **writing** prior to the due date will be addressed. Answers to all properly submitted **written** questions will be posted on the District’s website at www.SLPS.org as addenda no later than three (3) business days prior to the Proposal Due Date.
- 3.5 Addenda** - The District may revise this RFP by issuing written addenda. Addenda will be posted to the District’s website at www.SLPS.org under “Shortcuts”, “Purchasing / RFPs”. Interested persons or entities are encouraged to check the District’s website frequently for addenda to this RFP. Bidders are responsible for viewing and understanding information in addenda to the same extent as the RFP. The District has no obligation or duty to communicate addenda to Bidders beyond the posting of addenda on its website.
- 3.6 Awards** – All Proposal selections must be approved by the Special Administrative Board prior to an award being final. Awards will be made to the lowest responsible bidder (**Construction project management pricing [to include engineering, design, build and management of construction]**) complying with the terms of these specifications, except the right is reserved by the District to make such selection, as in its judgment, is best suited for the

purpose intended. Notwithstanding anything contained herein to the contrary, a contract shall not exist between the District and the selected Bidder until: A) such agreement has been duly authorized and approved by the Special Administrative Board; and B) the agreement has been documented in accordance with Missouri Revised Statutes Section 432.070. After approval by the Special Administrative Board, all awards will be posted on the District website. A contract awarded pursuant to this RFP may not be assigned to any other entity without the express written authorization of an authorized agent of the District.

- 3.7 Rejection of Proposals** – The District reserves the right to accept or reject any proposal or any part of any proposal.
- 3.8 Submitted Proposals Considered Final** – All Proposals shall be deemed final, conclusive and irrevocable, and no Proposal shall be subject to correction or amendment for any error or miscalculation.
- 3.9 Form of Contract** – Each successful Bidder shall be required to enter a contract in the form prescribed by the District. Templates of certain form contracts may be examined at the Department of Purchasing, 801 North 11th Street, St. Louis, MO 63101 or may be found on the District’s website at www.SLPS.org under “Site-Shortcuts”, “Purchasing / RFPs”, “Contract Templates”. The District reserves the right to revise such templates or present a contract not contained within the template forms on the District’s website, in its sole and absolute discretion, to fit the unique situation presented by this RFP.
- 3.10 Preference for Missouri Products** – The District prefers to purchase those materials, products and supplies, which are produced, manufactured, compounded, made or grown, within the State of Missouri. When they are found in marketable quantities in the State of Missouri, and are of a quality suited to the purpose intended, and can be secured without additional cost over out-of-state products. Quality and fitness of articles will be considered in making purchases or letting contracts.
- 3.11 Bond** – A Bid Bond or Certified Check made payable to the school district, in the amount of **5% of the Base Bid shall accompany the Bid Package on August 31, 2016 at 10 am,** as a guarantee that the bidder, if awarded the Contract, will furnish a 100% Performance and Payment Bond; execute the Contract; and proceed with the work. Upon failure to do so, he shall forfeit the deposit or amount of the Bid Bond as liquidated damages, and no

mistakes or errors on the part of the Bidder shall excuse the Bidder or entitle him to a return of the deposit or Bid Bond. The bonds must be written by a Corporate Surety Company that is acceptable to the District and that meets the following minimum standards:

- a. Licensed pursuant to the Missouri Insurance Code
- b. Listed on the United States Department of the Treasury's Listing of Approved Sureties (Dept Circular 570) in the amount of \$5,000,000.
- c. The Bid Bond shall be valid for one hundred twenty (120) days following the deadline for submission of proposals.
- d. The Bid Bond must be accompanied by an original signed and notarized Power-of-Authority bearing the seal of the issuing surety company and reflecting that the signatory to the bond is a designated Attorney-in-Fact.
- e. All bonds must be written by an insurance company that is rated in the A.M. Best key Rating Guide – Property & Casualty with a policy holder's rating of "A-" or better and a Financial size category of Class VII or larger.
- f.

3.12 Taxes – Bidders shall NOT INCLUDE FEDERAL EXCISE TAX, TRANSPORTATION TAX, and/or STATE RETAIL TAX in the Proposal, as these taxes do not apply to the District.

3.13 War Clause – In the event that during the existence of a state of war, the United States Government takes over the plant of any manufacturer with whom the contractor has therefore contracted to furnish the articles required under his contract with the District, or any essential element thereof, and because of such action of the government, the contractor may furnish and deliver the articles required under the contract.

3.14 Purchasing Card ("P Card") – The St. Louis Public School District is now processing vendor payments through a Purchasing Card ("P Card") Program with MasterCard. The "P Card" Program is a more simplified, efficient and cost effective method of remitting payments for approved expenditures. This payment program provides a faster payment to the vendor without the cost of check processing.

- 3.15 **Compensation** – Bidders are cautioned that items and/or services must be furnished at the price **(Construction project management pricing [to include engineering, design, build and management of construction])** submitted. No increase in price will be permitted during the term of the contract.
- 3.16 **Grievances** - Any complaints or grievances concerning or arising out of this RFP shall be submitted in writing to Purchasing Office of the St. Louis Public Schools, 801 North 11th Street, St. Louis, MO, 63101, with a copy to Office of the General Counsel, c/o the Superintendent of Schools, 801 North 11th Street, St. Louis, MO 63101.

Section 4. BIDDER’S CONFERENCE

- 4.1 Interested persons or entities must attend the **mandatory** pre-submittal bidder’s conference (the “Bidder’s Conference”). Attendance is mandatory for responding to this RFP. At the Bidder’s Conference, a representative from the District will be available to answer **questions properly submitted in writing** pursuant to the process set forth in Section 3.4 above. Meeting minutes will be taken during the question and answer portion of the Bidder’s Conference and posted on the website as an addendum to the RFP pursuant to Section 3.4.
- 4.2 Please RSVP via email Rick Schaeffer at rick.schaeffer@slps.org on or before August 17th, 2016, if you plan to attend the bidder’s conference for this RFP. The subject of the e-mail shall be “BIDDER’S CONFERENCE RSVP - RFP #009-1617”.
- 4.3 No communication shall be made with any District employee, other than Rick Schaeffer, regarding this RFP. Violation of this provision may result in the rejection of Proposal.

Section 5. THE PROPOSAL

- 5.1 The Scope of Services for this RFP is set forth in Attachment A.
- 5.2 **Part I – Qualifications/Certifications/Resume and Operations Plan with Technical Proposal**
The following information should be provided in Part I of the Proposal. The documents should be clearly marked: “Part I – Qualifications”

5.2.1 Bidders should provide detailed information addressing each of the following areas:

5.2.1.1 Licensing and certification in the field of Design, Build and Project Management services;

5.2.1.1.1 Provide Certified Project Manager, Professional Engineer license and/ or certification.

5.2.1.2 Any citation or discipline action taken against the respondent by a licensing board or association related to the field of the requested services which is pending or has been resolved within the past 12 months;

5.2.1.3 Information regarding law suits relevant to the requested services that are pending or have been resolved within the past 12 months.

5.2.1.4 Failure to be forthright in disclosure shall be grounds for disqualification of a vendor. This section shall not be interpreted to require the disclosure of information shielded from disclosure by State or Federal Statutes and/or court order.

5.2.2 Please respond briefly, but completely, to the following:

5.2.2.1 Person/Entity Name

5.2.2.2 Address

5.2.2.3 Name and Title of Authorized Representative

5.2.2.4 Telephone Number

5.2.2.5 Fax Number

5.2.2.6 Email Address

5.2.2.7 Include the above information for each person/entity that is part of the project team for this Proposal

5.2.3 Bid Response Elements

5.2.3.1 Entity Qualifications

5.2.3.2 References (other school districts where possible)

5.2.3.3 Brief description of entity's experience with providing the requested services

5.2.3.4 Copies of Licenses and Certifications (including, but not limited to, license to conduct business in the City of St. Louis, Missouri)

5.2.3.5 Provide a brief summary of the primary role(s) and resumes describing background and qualifications of each member of the project team for this Proposal.

5.3 Part II – Cost/Pricing Proposal

The following information should be provided in Part II of the Proposal. The Proposal should be clearly marked: "Part II – Cost/Pricing Proposal"

5.3.1 Attachment B – Cost/Pricing Proposal must be used as the first page for this Part II.

5.3.2 Outline specifically the cost/pricing proposal for **(Construction project management pricing [to include engineering, design, build and management of construction])** and reimbursable expenses proposed. This proposal should include open book pricing when procuring of contractors for the construction work.

5.3.3 The Cost/Pricing proposal should be itemized by project, and the detail of the cost/pricing should give the District a clear picture of overall costs as well as pricing criteria.

5.4 Part III –Required Documents

The following information should be provided in Part III of the Proposal. The Proposal should be clearly marked: “Part III – Required Documents”

5.4.1 Attachment B – Cost / Pricing Proposal

5.4.2 Attachment C - Federal Work Authorization Program Addendum and Affidavit

5.4.3 Attachment D - Bidder Affirmation Form

5.4.4 Attachment E - Bidder Checklist

5.4.5 Attachment G – Non Discrimination Employment Forms

5.4.6 Statement of M/WBE Participation

5.4.7 Good Faith Efforts Report

5.4.8 Good Faith Efforts Statement

5.4.9 Bid Bond **(Due at time of bid submittal, August 31, 2016 at 10 am.**

5.4.10 List of Materials & Equipment Form

5.4.11 Construction Schedule generated on either Microsoft Project, Microsoft Visio Technical or Primavera Software

5.4.12 Complete listing of all proposed Sub-Contractors and suppliers

5.4.13 Listing of the assigned Project Team Members and their Qualifications (particularly the Energy Auditor(s), Design Engineer(s) and Project Manager(s) that will be assigned to the project(s).

5.4.14 Technical Proposal; including:

a. Detailed description of scope of work

All of the above information will be reviewed and evaluated during the bid evaluation process by the Owner.

Section 6. EVALUATION CRITERIA, PROCESS AND CONTRACT AWARD

- 6.1 Evaluation Criteria** - The following criteria will be used with the weighted values below to evaluate each Proposal received. The District reserves the right to request clarification to the Proposal in order to evaluate all proposals.

	Points
Total price (5.3) and effectiveness of proposal	30
Overall Proposal	20
M/WBE Participation	30
Prior working relationship with the District	10
Vendor's Experience and Demonstrated Expertise	10
Total Points Possible	100

- 6.2 Bid Opening** – All Proposals received on or before the Proposal Due Date and Time shall be assembled and opened publicly promptly at that time in the District Offices located at 801 North 11th Street, St. Louis, MO 63101 in a conference room to be designated. All interested parties are welcome to attend.

- 6.3 Evaluation** – The District will assemble a review committee to assist in evaluating all Proposals (the “Evaluation Team”). From this evaluation, the District may select a Bidder solely on the basis of submittals, or may additionally identify a short list of Bidders for possible interviews. The District may contact any or all respondents to clarify submitted information.

The Evaluation Team will consist of the following individuals:

Title
Deputy Superintendent of Operations/Building Commissioner
Director of Facilities
Maintenance Manager
Energy Analyst

- 6.4 Contracting** – Upon selection of a Bidder, the District will negotiate a scope of services and other terms and conditions of an agreement with the selected Bidder. If such negotiations are not successful, the District reserves the right to begin negotiations with other respondents.

Section 7. MINORITY PARTICIPATION

(See Attachment G for further information and District forms)

7.1 It is the policy of the District to pursue the goal of at least **40% Minority Business Enterprise (MBE) and 5% Women's Business Enterprise (WBE)** utilization in the provision of goods and services to the District while at the same time maintaining the quality of goods and services provided to the District through the competitive bidding process. It is the purpose of this policy to allow minority and women's business enterprises to expand their opportunities and capacities by participating in all District operated programs. The District also has a goal of **40%/5%, M/WBE field participation**. The District has developed a plan for participation in projects by minority business. This plan includes the following elements:

7.1.1 Outreach – A commitment to make every effort to inform contractors of pending contract opportunities through advertisements, workshops, brochures, and availability of plans.

7.1.2 Good Faith Effort – A commitment to verify contractor solicitations to ensure that sufficient time and information are available to make a responsible reply. Two forms in Attachment G must be filled out and submitted with the proposal. They are:

- Contractor's Good Faith Efforts Statement
- Contractor's Good Faith Efforts Report

7.1.3 Identification and Recruitment – A commitment to coordinate efforts with the City of St. Louis, Contract Office, in the development of potential minority contractor interest.

7.1.4 Monitoring and Reporting – A commitment to measure and report anticipated and actual MBE/WBE participation. (Monthly M/WBE Manpower Utilization Report, see attachment G)

7.2 Discrimination in Employment By the Special Administrative Board

7.2.1 During the performance of the contract, the SELECTED BIDDER agrees as follows:

- 7.2.1.1 The SELECTED BIDDER will not discriminate against any employees or applicants because of race, age, handicap, religion, gender, sexual orientation, national origin or ethnicity. The SELECTED BIDDER will take affirmative action to ensure that all qualified applicants will receive consideration for employment without regard to race age, handicap, religion, gender, sexual orientation, national origin or ethnicity.
- 7.2.1.2 The SELECTED BIDDER will, in all solicitations or advertisements for employees placed by or on behalf of the SELECTED BIDDER; state that all qualified applications will receive consideration for employment without regard to race age, handicap, religion, gender, sexual orientation, national origin or ethnicity.
- 7.2.1.3 The SELECTED BIDDER will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising that labor unions or workers representative of the Bidder's commitment under contracts with the District.
- 7.2.1.4 The SELECTED BIDDER will maintain and, upon request make available to the District all records and data necessary or useful to the review and monitoring of compliance with the non-discrimination clauses of this contract. In the event the SELECTED BIDDER fails or refuses to make such records available, this contract may be cancelled, terminated, or suspended in whole or in part by the District, and the SELECTED BIDDER may be declared ineligible for further District contracts or subject to such other sanctions as the District deems appropriate.
- 7.2.1.5 The SELECTED BIDDER's non-compliance with the non-discrimination clauses of this contract, the contract may be cancelled, terminated, or suspended in whole or in part by the District, and the SELECTED BIDDER may be declared ineligible for further District contracts or subject to such other sanctions as the District deems appropriate.

7.3 Minority and Women Owned Business Enterprise Policies

- 7.3.1 It is the policy of the District that minority and women-owned businesses shall have the maximum opportunity to participate in the performance of contracts utilizing District funds. MBE/WBE firms included in the respondent's submittal, either as prime consultants or subcontractors, must be certified by one or more of the following agencies on or before the date of the submission of qualifications:

Missouri Division of Purchasing and Material Management

Online: For MBE's: <http://www.oa.mo.gov/>

For WBE's: <http://www.oa.mo.gov/>

Phone: (573) 715-8130

City of St. Louis: Disadvantaged Business Enterprise Program

Online: <http://www.mwdbe.org/>

Phone: (314) 551-5000

St. Louis Minority Business Council

Online: <http://www.slmbc.org/>

Phone: (314) 241-1143

- 7.32 See Attachment G for further information and District forms.

Section 8. RESERVATIONS / STIPULATIONS

- 8.1 The District reserves the right, at its sole discretion, to A) reject any or all submittals when, in its opinion, it is determined to be in the public interest to do so; B) waive minor informalities of a submittal; C) cancel, revise, or extend this solicitation; D) request additional information deemed necessary; and E) extract, combine, and delete elements of individual proposals and to negotiate jointly or separately with individual respondents with respect to any or all elements of the proposal.
- 8.2 This RFP does not obligate the District to pay any costs incurred by any respondent in the submission of a proposal or in making necessary studies or design for the preparation thereof, or for procuring or contracting for the services to be furnished under this RFP prior to the issuance of a valid contract under Missouri law. Such exemption from liability applies whether such costs are incurred directly by the Bidder or indirectly through the Bidder's agent, employees, assigns or others, whether related or not to the Bidder.

- 8.3** The District will give preference to firms based in the bi-state St. Louis metropolitan area when other considerations are equal.
- 8.4** Careful consideration should be given before confidential information is submitted to the District as part of this RFP Proposal. Review should include whether it is critical for evaluating a bid, and whether general, non-confidential information, may be adequate for review purposes. Any and all documents submitted by the respondent may become public if and when they are submitted to any advisory or legislative public body, or pursuant to the Missouri Sunshine Law. The Missouri Sunshine Law provides for public access to information the District possesses. Information submitted to the District that Bidders wish to have treated as proprietary and confidential trade secret information should be identified and labeled “Confidential” or “Proprietary” on each page at the time of disclosure. This information should include a written request to except it from disclosure, including a written statement of the reasons why the information should not be disclosed.
- 8.5** Bidders acknowledge and agree, by submitting a Proposal, that:
- 8.5.1 Once a Bidder is selected for the engagement, all electronic, written and printed materials developed by such Bidder as a result of this engagement shall become the property of the District, and the District shall be entitled to use any and all such materials in any way desired by the District, in its sole and unfettered discretion.
 - 8.5.2 The qualifications of each member of the respondent team are important criteria in the selection process. The selected Bidder will not be allowed to substitute any member of the team listed in the Proposal without prior written approval by the District. The District, in its sole and absolute discretion, reserves the right to accept or reject proposed changes to the team and personnel associated with the team and/or to negotiate the composition of the team.
 - 8.5.3 Adherence to the schedule for the work is of critical importance to the District as time is of the essence, and agrees to dedicate the personnel listed in the Proposal to completing the work in accordance with the schedule outlined in this RFP. Bidders further acknowledge that the contract for the engagement may include significant liquidated damages for failure to perform in accordance with such schedule.
 - 8.5.4 To having read this RFP in its entirety and agreeing to all terms and conditions set out in this RFP. Bidders also accept the responsibility to review and understand all applicable policies of the District, which may be found on

the District's website www.slps.org under "Shortcuts", "Board Policies".

- 8.5.5 The District, and any consultants retained by the District, has the right to make any additional inquiry or investigation they deem appropriate to substantiate or supplement information contained in respondent's submission, and authorize the release to the District and/or the District consultants of any and all information sought in such inquiry or investigation.
- 8.5.6 Under penalty of perjury, that to the best of his/her belief: A) the prices in the Proposal were arrived at independently and without collusion, consultation, communication, or agreement for the purpose of restricting competition as to any matter or agreement for the purpose of restriction competition as to any matter relating to such prices with any other Bidder, or any other competitor; B) unless otherwise required by law, the prices in this Proposal have not been knowingly disclosed by the Bidder, and will not be knowingly disclosed by the Bidder, prior to opening, directly or indirectly, to any other Bidder or competitor; and C) no attempt has been made or will be made by the Bidder to induce any other person, partnership, corporation, or entity to submit or not to submit a proposal in response to this RFP for the purpose of restriction competition.
- 8.5.7 It is not delinquent in any real estate, personal property, or earning taxes assessed against it or which it is obligated to pay to St. Louis, Missouri.
- 8.5.8 No fictitious name of any entity or person has been used in this Proposal, and no unidentified third-party will have an interest in any resulting contract or in the performance of any work under this Proposal.
- 8.5.9 It does not do business as or operate under any fictitious name.
- 8.5.10 It has only presented one Proposal in response to this RFP.
- 8.5.11 The Proposal is made in good faith.
- 8.5.12 It's affiliates, subsidiaries, officers, directors, employees, and all team members listed in the Proposal have not been convicted of a felony within the last five (5) years, which felony is related in any way to providing the services and/or items referenced in this RFP, or to the competency of the service provider to perform under any resulting contract.
- 8.5.13 It's affiliates, subsidiaries, officers, directors, employees, and all team

members listed in the Proposal are not currently under investigation by any governmental agency and have not in the past four (4) years been convicted or found liable for any act prohibited by state or federal law in any jurisdiction, including conspiracy or collusion with respect to responding to any public contract.

8.5.14 It's affiliates, subsidiaries, officers, directors, employees, and all team members listed in the Proposal have not been excluded from any procurement or non-procurement programs with the government as identified by the U.S. General Service Administration Office of Acquisition Policy.

8.6 Any misrepresentations or false statements contained in a response to this RFP or to any request for additional information related to this RFP, whether intentional or unintentional, shall be sufficient grounds for the District to remove respondents from competition for selection at any time.

8.7 Bidders shall ensure that no improper, unethical, or illegal relationships or conflicts of interest exist between the Bidder, any employee, officer, director, or principal of the Bidder or District and any other party. The District reserves the right to determine the materiality of such relationships, when discovered or disclosed, whether intended or not. The District also reserves the right to decide in its sole and absolute discretion whether disqualification of the Bidder and/or cancellation of the award shall result. Such disqualification or cancellation shall be without fault or liability to the District. In the event that the District disqualifies a Bidder based on such an improper communication or relationship, and that Bidder's Proposal would have otherwise been considered the lowest responsible bid complying with the terms of these specifications, the District reserves the right to select as the winning Proposal the next most qualified responsible bidder complying with the terms of these specifications.

8.8 Bidders agree that they will comply with all applicable federal, state, and local laws, regulations, ordinances, and other requirements that apply to the scope of work in this RFP, including, but not limited to, all reporting and registration requirements. Bidders further agree that this RFP and any contract awarded pursuant to it will be governed under the laws of the State of Missouri.

Section 9. FEDERAL WORK AUTHORIZATION PROGRAM (“E-VERIFY”)

Pursuant to Missouri Revised Statute 285.530, all Bidders awarded any contract in excess of five thousand dollars (\$5,000) with a Missouri public school district must, as a condition to the award of any such contract, be enrolled and participate in a federal work authorization program with respect to the employees working in connection with the contracted services being provided, or to be provided, to the District (to the extent allowed by E-Verify). In addition, the Bidder must affirm the same through sworn affidavit and provisions of documentation, and sign an affidavit that it does not knowingly employ any person who is an unauthorized alien in connection with the services being provided, or to be provided, to the District. Such agreement and affidavit is included as Attachment C to this RFP.

ATTACHMENT A - SCOPE OF WORK

RFP# 009-1617

SCOPE AND SPECIFICATIONS

1. All work on site is to be performed safely in accordance with all OSHA standards. It is the responsibility of this contractor to enforce its safety program.
2. No contractor will be allowed to operate in an unsafe manner. Any designated Saint Louis Public School District Operation Manager and/or Representative shall stop any work activity by contractor employees that presents a serious safety hazard. Any costs incurred as a result of non-compliance will be borne by the contractor. Repeated non-compliance may result in the removal of employees from the project. Continual non-compliance may result in contract termination.
3. The school district has a **ZERO** tolerance of sexual harassment of its contractors in any form and requires that all contractors avoid all offensive or inappropriate sexually harassing behavior. The school district prohibits the following towards, students, staff and visitors; unwelcome sexual advances; request for sexual favors, verbal or physical conduct of a sexual nature, unwelcomed verbal or physical conduct that creates an intimidating, hostile or offensive environment for the school districts staff, students and visitors. Any person in violation will be immediately removed from the jobsite.
4. This contractor shall submit pre-construction photos to the Saint Louis Public School District Building Commissioner and/or prior to any demolition or construction work. The photos should show existing conditions of adjoining construction that might be misconstrued as damage caused by current construction operation.
5. All contractor employees will be required to provide the School District's, a background check that identifies at a minimum, persons under suspicion of, charged with, or convicted of child abuse, or sex offender relate offenses and fingerprinting. Employees whose background reports indicate such activity shall not be allowed on school premises. The cost of securing criminal background checks shall be borne by each respective contractor or subcontractor affected by this specification. The contractor must furnish this background report to the SLPS Building Commissioner prior to being admitted to the school premises.
6. This contractor will be required to submit drug testing results for all employees and subcontractors working onsite within the past six months. This project prohibits the unlawful possession, use or distribution of controlled substances and alcohol and prohibits contractor's employees and employees of subcontractors from being under the influence of such controlled substances or alcohol on the jobsite. This contractor shall provide drug testing of its employees and employees of its subcontractors on a pre-employment, post-

accident or for cause basis. All drug negative testing results will be required before an employee or an employee of a subcontractor can perform any work onsite. The minimum screenings are as follows; Drug Description; Amphetamines, Barbiturates, Benzodiazepines, Cocaine Metabolite, Marijuana Metabolites, Methadone, Methaqualone, Opiates, Phencyclidine (PCP), Propoxyphene, Alcohol.

7. This contractor must abide by the Saint Louis Public School District's discrimination policy for the duration of this project.

8. This contractor will be allowed to place the following maximum percentages of mark-up for profit and overhead for extra work performed; Labor (10%), Material (10%), Subcontract (5%) and Equipment (5%). Unit rates and hourly rates, if requested, should include the noted percentages as part of the hourly or unit rate.

9. This contractor must submit for approval a site logistics plan that outline exit paths from the building in case of an emergency, material storage and laydown area, dumpster location, proposed contractor parking, etc.

10. **ALL WORK WILL GENERALLY BE SCHEDULED AFTER SCHOOL HOURS UNLESS SCHOOL IS OUT DURING SUMMER "SCHEDULED" BREAK. CONTRACTORS SHOULD CONFIRM THIS INFORMATION PRIOR TO SUBMITTING THEIR BID.**

11. During construction, each contractor must direct all correspondence to the SLPS Operations Department for distribution to the school district.

12. Each Contractor is responsible for reviewing the Project Schedule for timing of delivery of equipment and materials to the jobsites. This includes accounting for material escalation costs associated with material to be installed as well as potential labor rate increases.

13. Consumption of alcohol on this site will not be permitted. SLPS reserves the right to remove anyone from this site for consumption of alcohol.

14. No smoking or tobacco products will be allowed on school property. SLPS reserves the right to remove anyone from this site for smoking on school property. Reference Attachment K for district policy.

15. Firearms are not permitted on the school district's property.

16. The Contractor shall be represented at the site by a competent full-time superintendent/foreman or other person empowered to act on behalf of the contractor from beginning of the work until acceptance unless otherwise instructed by the Saint Louis Public School District Operation Management Team.

17. The Contractor shall submit a Daily Manpower Report.

This report shall include a brief description of the Contractor's activities for the day and a manpower count for both the Contractor and any Sub-subcontractors which highlights sex and race of all workers.

18. Each Contractor shall submit to the each month a requisition for payment on a pre-approved schedule of values. This requisition shall be incorporated into an AIA document G702 and G703 form and is due on the 25th of each month. The pay request shall also include a certified payroll for all workers onsite. The certified payroll must include the worker name, address, sex and race. Also, partial/final lien waivers must be submitted as required.

19. This contractor shall submit for approval a method for identifying their workers working onsite that have been approved by the school district to work onsite. Approved workers include workers that have submitted a complete and approved background check and a negative drug test.

ATTACHMENT A: SCOPE OF WORK

PART 1 - GENERAL

SUMMARY

Dunbar Elementary School has (3) natural gas hot water boilers that provide heating hot water to air handling units, fan coils units and VAV boxes. Each boiler utilizes an in-line primary pump and the hot water system distributes water via a base-mounted secondary pump. The Boiler Replacement Projects cost should not exceed \$283,836 unless approved by the Owner.

SUBMITTALS

Product Data: Include performance data, operating characteristics, furnished specialties, and accessories.

1. Shop Drawings/ As-Built: For boilers, boiler trim, and accessories.
2. Include plans, elevations, sections, details, and attachments to other work.

Wiring Diagrams: Power, signal, and control wiring.

Source quality-control test reports: Indicate and interpret test results for compliance with performance requirements before shipping.

Field quality-control test reports: Indicate and interpret test results for compliance with performance requirements.

Warranty: Standard warranty specified in this Section.

CLOSEOUT SUBMITTALS

Operation and Maintenance Data: For boilers to include in emergency, operation, and maintenance manuals.

QUALITY ASSURANCE

Electrical Components, Devices, and Accessories: Listed and labeled as defined in NFPA 70, Article 100, by a testing agency acceptable to authorities having jurisdiction, and marked for intended use.

ASME Compliance: Fabricate and label boilers to comply with ASME Boiler and Pressure Vessel Code.

ASHRAE/IESNA 90.1 Compliance: Boilers shall have minimum efficiency according to "Gas and Oil Fired Boilers - Minimum Efficiency Requirements."

AHRI Compliance: Boilers shall be AHRI listed and must meet the minimum efficiency specified under AHRI BTS-2000 as defined by Department of Energy in 10 CFR Part 431.

ANSI Compliance: Boilers shall be compliant with ANSI Z21.13 test standards for US and Canada.

CSA Compliant: Boilers shall be compliant with CSA certification.

WARRANTY

Standard Warranty: Boilers shall include manufacturer's standard form in which manufacturer agrees to repair or replace components of boilers that fail in materials or workmanship within specified warranty period.

Warranty Period for Fire-Tube Condensing Boilers:

Heat Exchanger, Pressure Vessel and Condensation Collection Basin shall carry a 10 year limited warranty against defects in materials or workmanship and failure due to thermal shock.

All other components shall carry a one year warranty from date of boiler start up.

PART 2 - PRODUCTS

MANUFACTURERES

1. Fulton Pulse, or
2. Lochinvar

CONSTRUCTION

Replace the (3) existing hot water heating boilers

Replace the (2) hot water circulating pumps.

Replace the (3) boiler circulating pumps

Verify BTU calculations for sizing the (3) hot water boilers, (2) hot water circulating pumps, and (3) boiler circulating pumps.

Notify Maintenance Manager and HVAC Asst. Manager before disposal of old boilers and associated equipment described above.

Provide engineered drawings and obtain mechanical permits from the City of St. Louis.

Install properly sized replacement hot water boilers with TE/AFUE is greater than % 88.

Install new vibration eliminators and pads.

Furnish and install (3) stainless steel flue connectors to existing boiler exhaust flue trunk line. Furnish and replace existing Exhausto fan with new.

Modify existing piping, wiring and controls to safely operate and perform (routine & annual) maintenance of new boilers to the existing primary hot water loop.

Furnish and install the (2) hot water circulating pumps

Furnish and install (3) boiler loop circulating pumps.

Provide material and labor associated with insulating all new piping per above specification.

Provide material and labor associated with the adjustment of the existing natural gas pressure including all required gas pressure regulating valves to allow for the gas pressure to be increased to the new HWH per manufacturer recommendations.

Provide all permits (city & state) and other documentation or tags required for project.

Install new local disconnects for boilers

Install automatic water fill valve in line with boilers and insure proper operation.

CONTROLS

Refer to Division 23 Section "Instrumentation and Control for HVAC."

Boiler controls shall feature a standard, factory installed graphic LCD screen display with navigation dial and includes the following standard features:

1. Outdoor air reset: Boiler shall calculate the set point using a field installed, factory supplied outdoor sensor and an adjustable reset curve.
2. Pump exercise: Boiler shall energize any pump it controls for an adjustable time if the associated pump has been off for a time period of 24 hours.
3. Four pump control: Boiler shall have the ability to control the boiler pumps, system pumps, a domestic hot water pump, and a domestic hot water recirculation pump.
4. Ramp delay: Boiler may be programmed to limit the firing rate.
5. Time clock: Boiler shall have an internal time clock with the ability to time and date stamp lock-out codes and maintain records of runtime.
6. Space Heating Night setback: Boiler may be programmed to reduce the space heating temperature set point during a certain time of the day.
7. Freeze protection: Boiler shall turn on the boiler and system pumps when the boiler water temperature falls below 45 degrees. When the boiler water temperature falls below 37 degrees the boiler will automatically turn on. Boiler and pumps will turn off when the boiler water temperature rises above 43 degrees.
8. Isolation valve control: Boiler shall have the ability to control a 2-way motorized control valve. Boiler shall also be able to force a fixed number of valves to always be energized regardless of the number of boilers that are firing.
9. BMS integration with 0-10V DC input: The Control shall allow an option to Enable and control set point temperature or control firing rate by sending the boiler a 0-10V input signal.

The boiler shall have a built in controller to sequence and rotate lead boiler to ensure equal runtime while maintaining modulation of up to 3 boilers of without utilization of an external controller. The factory installed, internal controller shall include:

1. Lead lag: The Control module shall allow only one boiler to fire at the beginning of a call for heat. Once the lead boiler is in full fire and the control calculates that additional heat is required it will call on an additional boiler as needed.
2. Efficiency optimization: The Control module shall allow multiple boilers to simultaneously fire at minimum firing rate in lieu of Lead/Lag.
3. Rotation of lead boiler: Per HVAC Manager Recommendation.

Boiler operating controls shall include the following devices and features:

1. Set-Point Adjust: Set points shall be fully adjustable by the installer.

2. Sequence of Operation: Factory installed controller to modulate burner firing rate to maintain system water temperature in response to call for heat.
3. Sequence of Operation: Boiler shall come standard with outdoor reset control which will control burner firing rate to reset supply-water temperature inversely with outside-air temperature. At 10 deg F outside-air temperature, set supply-water temperature at 180 deg F; at 60 deg F outside-air temperature, set supply-water temperature at 140 deg F.

Burner Operating Controls: To maintain safe operating conditions, burner safety controls limit burner operation and include:

1. High Temperature Limit: Automatic and manual reset stops burner if operating conditions rise above maximum boiler design temperature. Limit switch to be manually reset on the control interface.
3. Low-Water Cutoff Switch: Electronic probe shall prevent burner operation on low water. Cutoff switch shall be manually reset on the control interface.
4. Blocked Inlet Safety Switch: Manual-reset pressure switch field mounted on boiler combustion-air inlet.
5. High and Low Gas Pressure Switches: Pressure switches shall prevent burner operation on low or high gas pressure. Pressure switches to be manually reset on the control interface.
6. Blocked Drain Switch: Blocked drain switch shall prevent burner operation when tripped. Switch to be manually reset on the control interface.
7. Low air pressure switch: Pressure switches shall prevent burner operation on low air pressure. Switch to be manually reset on the control interface.
8. Optional Audible Alarm: Factory mounted on control panel with silence switch; shall sound alarm for any lockout conditions.

Building Automation System Interface:

1. Boiler shall have the ability to receive a 0-10V system from a building management system and control by the following:
 - a. 0-10V DC input to control Modulation or Setpoint
 - b. 0-10V DC input from Variable speed Boiler pump (only if added)
 - c. 0-10V DC output signal to a Variable speed system pump (only if added)
 - d. 0-10V DC input Enable/Disable signal
2. Provide a gateway interface to enable building automation system to monitor, control, and display boiler status and alarms. Controls should be supported BACnet device that will tie into existing Johnson Controls NAE. Contractor is responsible for all programming and connections of related equipment.

ELECTRICAL POWER

Controllers, Electrical Devices, and Wiring: Electrical devices and connections are specified in Division 26 Sections.

Single-Point Field Power Connection: Factory-installed and factory-wired switches, motor controllers, transformers, and other electrical devices necessary shall provide a single-point field power connection to boiler.

Electrical Characteristics:

See Drawings

Voltage 120V / 1PH, Frequency: 60 Hz

VENTING

Exhaust flue must be Category IV approved PVC, CPVC, PP or stainless steel sealed vent material from one of the approved manufacturers listed in the Installation and Operation manual. Boilers exhaust vent length must be able to extend to 100 equivalent feet.

Intake piping must be of approved material as listed in the Installation and Operations manual. Boilers intake pipe length must be able to extend to 100 equivalent feet.

Boiler venting and intake piping configuration shall be installed per one of the approved venting methods shown in the Installation and Operation manual.

Boilers using common venting must only include like models and the optional common vent damper. Contact the factory for common vent sizing.

Boiler shall come standard with a flue sensor to monitor and display flue gas temperature on factory provided LCD display.

Refer to manufacturer's Installation and Operations manual for detailed venting instructions and approved manufacturers.

Furnish and install (3) galvanized connections to existing combustion air intake trunk line.

EXECUTION

DEMOLITION

Disconnect combustion air intake, natural gas supply service, electrical service, exhaust riser, wiring and controls from boiler

Dispose and remove all related boiler(s) with associated equipment and piping from site. Note: SLPS reserves the right to maintain ownership of existing hot water pump sets, circulating pumps or any associated equipment that is salvageable.

Reinstall any piping, boiler room equipment, wiring that is damaged during the removal and disposal of the existing boilers.

BOILER INSTALLATION

Install gas-fired boilers according to NFPA 54.

CONNECTIONS

New piping installed adjacent to boiler to allow service and maintenance.

Install piping from the new boiler equipment drain connection to nearest floor drain. Piping shall be at least full size of connection. Provide an isolation valve if required.

Reconnect gas piping to boiler gas-train inlet with union. Piping shall be at least full size of equipment connection. Provide a reducer if required.

Reconnect boiler hot-water piping to with shutoff valve and union or flange at each connection.

Verify and Install piping from safety relief valves to nearest floor drain.

Reconnect air intake, electrical service, exhaust ductwork and control wiring making connections and transitions as required

FIELD QUALITY CONTROL

TABB Certified system pump balancing and pump alignment

Contractor to ensure proper operation, i.e. cycling parameters, control parameters, and provide results to SLPS designated.

Verify all safety inspection have been completed, documented and submitted to HVAC staff.

Work with SLPS Maintenance and Assoc. HVAC Manager to perform pressure test, start-up and commission control points to verify operation.

Prepare test reports for submission to SLPS Maintenance and Assoc. HVAC Manager.

Manufacturer's Field Service: Engage a factory-authorized service representative to inspect components, assemblies, and equipment installations, including connections, and to assist in testing.

Tests and Inspections:

1. Perform installation and startup checks according to manufacturer's written instructions. Complete startup form included with Boiler and return to Manufacturer as described in the instructions.
2. Leak Test: Hydrostatic test. Repair leaks and retest until no leaks exist.
3. Operational Test: Start units to confirm proper motor rotation and unit operation. Adjust air-fuel ratio and combustion.
4. Test and adjust controls and safeties. Replace damaged and malfunctioning controls and equipment.
5. Check and adjust initial operating set points and high- and low-limit safety set points of fuel supply, water level and water temperature.
6. Set field-adjustable switches and circuit-breaker trip ranges as indicated.

Contractor will make the necessary corrections to ensure proper operation of the boiler

system.

Occupancy Adjustments: When requested within 12 months of date of Substantial Completion, provide on-site assistance in adjusting system to suit actual occupied conditions. Provide up to two visits to Project during other than normal occupancy hours for this purpose.

DEMONSTRATION

Engage a factory representative or a factory-authorized service representative for boiler startup. Start-up sheet shall be completed and a copy shall be sent to the Engineer and the Manufacturer. A combustion analysis shall be completed and the gas valve adjusted per the Installation and Operations manual and note in start-up report.

Factory representative or a factory-authorized representative shall provide Owners training to instruct maintenance personnel to adjust, operate, and maintain boilers.

UTILITY INCENTIVE/REBATE AND ENERGY LOAN FOLLOW-UP

The Utility companies and State Energy Loan representative will request Contractors provide all required information to apply for and fill out the following forms prior to the start of the project:

1. Ameren Missouri custom and standard financial incentive applications
2. Laclede Gas custom and standard rebates applications
3. Division of Energy, Missouri Department of Economic Development, energy loan reimbursement forms for District

The Contractor will provide all paperwork (include cost information) required to review the utility incentive/rebate applications will be forwarded to the District Energy Analyst for review prior to the start of the project.

District's Energy Analyst will obtain sign off from Director of Facilities on the Incentive/Rebate application and submit with required project data to the Utility Companies.

The Contractor will provide all paperwork (include cost information) required to fill out energy loan reimbursement forms.

PROJECT PRICING

The company will request that Contractors provide open book and itemized billing for the Boiler Replacement. The billing will be broken down by materials cost & labor, design, testing and etc. a

Energy Service Company

Company Name: _____

Contact Person: _____

Address: _____

City, State, Zip: _____

Phone: _____ Fax: _____

In the event electrical load calculations and/or drawings are required to correctly complete these projects, the Energy Service Company contractor shall have available a licensed Electrical and Mechanical Engineer capable of providing the necessary technical expertise to advise and provide the guidance and construction documents (in necessary) in order to fully Execute this project.

The cost of this service shall be included in the Energy Service Company proposal.

Proposed Engineer:

Company Name: _____ Discipline: _____

Contact Person: _____

Address: _____

City, State, Zip: _____

Phone: _____ Fax: _____

1. The Undersigned Bidder offers and agrees, if this Proposal is accepted, to enter into an Agreement with the Saint Louis Public School District in the form included in the Contract Documents and to complete all work as specified or indicated in the Contract Documents for the Contract Price and within the Contract Time indicated in this proposal and in accordance with the Contract Documents.

2. BIDDER has examined and is familiarized with the Instructions to Bidders, all of the other Bidding Documents, and all of the Contract Documents; Bidder has examined the actual site and locality where the Work is to be performed; Bidder has familiarized themselves with the legal requirements (federal, state, and local laws, ordinances, rules, and regulations); Bidder has made independent investigations as they deem necessary; and Bidder has satisfied themselves as to all conditions affecting cost, progress, or performance of the scope of work outlined in this RFP.
3. BIDDER accepts all of the terms and conditions as outlined in this RFP.
4. BIDDER agrees to perform the work in the time specified and accepts the provisions of and assessment of liquidated damages as defined in the General Conditions of the Contract for Construction
 - a) Contract Period – The Contractor shall complete all work required as specified in Attachment B.
5. BIDDER upon acceptance of this bid will execute the Agreement and will furnish the required Contract security and insurance certificates within 5 days after the award of the Contract.
6. BIDDER agrees to furnish all labor, materials, supplies, equipment, services, and other facilities necessary or proper for, or incidental to, all work as required by, and in accordance with the Contract Documents for this RFP for the lump sum price as noted in the “Base Bid Proposal” section.
7. Bidders should be advised that, prior to award of any contract, the Saint Louis Public School District reserves the right to conduct a pre-award survey for the purpose of determining the bidder's responsibility and capacity to perform the contract. This survey may include review of subcontracting agreements, financial capacity, and quality of work performed on other contracts.
8. Bidder agrees to indemnify the Board of Education, Operations Department, and its Project Managers from and against all losses, claims, demands, payments, suits, actions, recoveries, and judgments of every nature and description made, brought or recovered against the Board of Education by reason of any act of omission of the Bidder.
9. Bidder agrees that in all required bonds, the bidder shall include such provisions as will guarantee the faithful performance of the prevailing hourly wage clause as provided by contract.
10. Bidder and their subcontractors shall be required to submit weekly payroll sheets with their monthly invoices, showing compliance to the Prevailing Wage Standard, as well as an Affidavit of Compliance with Prevailing Wage Law at the conclusion of the project, prior to final payment.

11. Bidder agrees that accurate records pertaining to wages paid all workers employed on the contract shall be kept within the state by the contractor and each subcontractor, for a period of one (1) year following the issuance of final payment for the subject work.
12. Bidder will forfeit a penalty to the St. Louis Public Schools of \$100 per day (or portion of a day) for each worker that is paid less than the prevailing wage rate for any work done under the contract by the contractor or by any subcontractor.
13. Bidder and all subcontractors to the contract must require all on-site employees to complete the ten- hour safety training program required under Section 292.675, RSMo, (enclosed in the laws section), if they have not previously completed the program and have documentation of having done so.
14. Bidder will forfeit a penalty to the St. Louis Public Schools of \$2,500 plus an additional \$100 for each employee employed by the contractor or subcontractor, for each calendar day, or portion thereof, if such employee is employed without the required training.
15. Bidder agrees that during periods of excessive employment (any month immediately following two consecutive calendar months during which the level of unemployment in the state has exceeded five percent as measured by the United States Bureau of Labor Statistics) only Missouri laborers (persons who have resided in Missouri for at least thirty days and intend to become or remain Missouri residents) and laborers from non-restrictive states (persons who are residences of a state which has not enacted state laws restricting Missouri laborers from working on public works projects in that state, as determined by the Labor and Industrial Relations Commission) (see Excessive Unemployment section), may be employed under the contract, except that other laborers may be used when Missouri laborers or laborers from nonrestrictive states are not available, if so certified by the contractor and approved by the contracting officer.
16. Bidder agrees that every transit employer, as defined in section 285.230 RSMo, enclosed in the laws section, must post in a prominent and easily accessible place at the work site a clearly legible copy of the following: (1) The notice of registration for employer withholding issued to such transient employer by the director of revenue; (2) Proof of coverage for workers' compensation insurance or self-insurance signed by the transient employer and verified by the department of revenue through the records of the division of workers' compensation; and (3) The notice of registration for unemployment insurance issued to such transient employer by the division of employment security. Any transient employer failing to comply with these requirements shall, under section 285.234, RSMo, enclosed in the laws section, be liable for a penalty of five hundred dollars per day until the notices required by this section are posted as required by that statute.

ACKNOWLEDGEMENT

In response to the Advertisement for Bidders and in accordance with the accompanying Bidding Documents therein listed, the undersigned, upon written notice of award of contract, acknowledges and agrees to provide all labor, material, equipment, tools, supervision, safety, technical services, taxes, insurance, overhead, profit, bonds and to pay all permit costs and fees necessary or required, and to supply the operations necessary and incidental to perform the Contract work in accordance with the provisions of the above referenced documents in a safe, timely and workmanlike manner for the Lump Sum Price(s) as stated below:

A. ADDENDA

Addenda to the Bidding Documents are included in the above Base Bid Proposal, and receipt thereof is acknowledged as follows:

Addendum No :	Date:
Addendum No :	Date:
Addendum No :	Date:
Addendum No :	Date:

B. BASE BID PROPOSAL

The following describes the cost/pricing proposal to provide services specified in this RFP # 009-1617 Dunbar Boiler(s) Replacement Project

Dollars and (in words)

<u>Total Base Bid</u>	\$ _____ (_____)
Alternate 1	\$ _____ (_____)
Alternate 2	\$ _____ (_____)
Alternate 3	\$ _____ (_____)
Alternate 4	\$ _____ (_____)
Alternate 5	\$ _____ (_____)
Total Alternates	\$ _____ (_____)

1. Explanation of the Alternate Services to be provided with the above cost/pricing proposal.

Signature of Authorized Official

Date

Company Name

C. PERFORMANCE BOND

Performance Bonds and Labor and Material Payment Bonds will be required for the proposed Contract work described in the above Bid Category. The amount included in the Total Base Bid Amount above is:
\$ _____

Performance and payment bonds will be required on or before the date of contract execution.

**D. VALUE ENGINEERING
(Recommendations to save time or
Money)**

Enclose with the Bid Form, at the Bidder’s option, recommendations that may assist in evaluation of cost and duration of any bid categories:

- 1. Submit a Voluntary Alternate proposal describing Bidder’s recommending adjustments to the Plans and Specifications, which will reduce the cost or improve the Project Schedule. Attached separate sheet(s) describing the proposal.

E. CONTRACTOR LABOR RATES (attach additional sheets as necessary)

With this bid, contractor shall provide the cost per hour for all labor classifications in its employ. These rates will be used for any extra work ordered by the school district or Project Manager and should include all wages, taxes, tools, and any other miscellaneous costs deemed necessary by the contractor. Provide for each work classification. All rates should be costs per hour. Labor rates shall not include any mark-ups as related to Overhead and Profit.

These rates will be a critical part of each bid analysis. **Labor rates shall remain valid for the total duration of the project.**

Craft/Work Classification: _____ Rate: \$ _____ /HR

Craft/Work Classification: _____ Rate: \$ _____ /HR

Craft/Work Classification: _____ Rate: \$ _____ /HR

Craft/Work Classification: _____ Rate: \$ _____ /HR

(Attached information on separate sheet for additional Craft/Work classifications if necessary)

Note: Labor rates shall not include any marks as related to Overhead and Profit. Contractors shall also note that additional breakdown may be required by the School District/Project Manager prior to acceptance of quoted rates.

F. STATEMENT OF MBE/WBE PARTICIPATION

All contractors submitting a bid must complete and sign the minority contractor's good faith effort form. Failure to do so is cause of rejection of this bid.

MBE/WBE Percentage included in Base Bid: _____ Percent (____%)

Name, Address, & Telephone _____

WBE/MBE _____

Work Covered _____

Dollar Amount of MBE/WBE Firm Participation _____

(List any additional on additional sheets as necessary)

OPPORTUNITY for ADDITIONAL MBE/WBE Participation

List below any additional MBE/WBE opportunities not included in the above bid amounts and the cost change to include these opportunities:

\$_____DOLLARS

(\$_____) Add/Deduct

\$_____DOLLARS

(\$_____) Add/Deduct

(List any additional on additional sheets as necessary)

G. LISTING OF MAJOR SUBCONTRACTORS & VENDORS

All subcontractors to be utilized in the performance of the scope of work anticipated by this bid must be listed below. The Bidder hereby certifies that the following proposed Subcontractors will be used in the performance of the work. (Additional sheets may be attached)

NAME OF SUBCONTRACTOR PERFORMED VENDOR EQUIPMENT SUPPLIED	WORK TO BE MATERIAL OR

H. SCHEDULE

The contractor acknowledges that all work must be completed by:

- **All Energy Audits must be completed 60 days after a signed contract.**
- **The Construction project must be completed by December 31, 2016.**

1. Calendar days required after award to prepare shop drawings/submittals for review: _ Days

2. Calendar days required for material delivery to site after receipt of approved shop drawings/submittals:

_____ Days

3. Calendar days required to complete all work in this bid package: _ Days

4. Average crew size by Trade: ____/Day

5. Average MBE/WBE field workforce: ____/Day

PROPOSED EQUIPMENT:

SPECIAL PROVISIONS TO BE PROVIDED BY OTHER CONTRACTORS AND/OR PROJECT MANAGER:

The Undersigned certifies that it has examined and is fully familiar with all of the provisions of the Bidding Documents and any Addenda thereto; and that it has carefully reviewed all of the words and figures shown in the Bid Documents and the accuracy of all statements in this Bid Proposal; and that he/she has been fully authorized to make such statements and submit this Proposal in his/her companies behalf.

Non-Discrimination in Employment by Board of Education Contractors And Subcontractors

During the performance of this contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, age, handicap, religion, sex or national origin. The Contractor will take affirmative action to ensure that all applicants are employed without regard to their race, age, handicap, religion, sex, or national origin.
2. The Contractor will, in all solicitation or advertisement for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, age, handicap, religion, sex, or national origin.
3. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising that labor union or worker's representative of the Contractor's commitments under contracts with the Board of Education.
4. The Contractor will maintain and, upon request, make available to The Board of Education, all records and data necessary or useful to the review and monitoring of compliance with the non-discrimination clauses of this contract. In the event the Contractor fails or refuses to make such records available, this contract may be cancelled, terminated or suspended in whole or in part by the Board of Education and the Contractor may be declared ineligible for further Board of Education contracts or such other sanctions as the Board deems appropriate.
5. In the event of the Contractor's non-compliance with the non-discrimination clauses of this contract, this contract may be cancelled, terminated or suspended in whole or in part by the Board of Education and the Contractor may be declared ineligible for further Board of Education contracts or such other sanctions as the Board deems appropriate.
6. The contractor will include the provision of Paragraph 1 through 5 in every subcontract or purchase order unless specifically exempted by the Board so that such provisions will be binding on each subcontractor or vendor.

UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES

The Board of Education of the City of St. Louis is committed to providing minority and women- owned business enterprises (“M/WBE”) with an equal opportunity to do business with the St. Louis Public School System.

The Board of Education has adopted the following goals to address equitable M/WBE involvement in its Capital Improvements Programs:

- 40% of Contracts to Minority Owned Businesses
- 5% of Contracts to Female Owned Businesses
- 40% of Field Employment to Minorities and/or Females

The achievement by bidders of the M/WBE participation goals and/or submission of documentation of efforts to obtain M/WBE participation will be a consideration in the award of a contract.

I. DETERMINATION OF M/WBE PARTICIPATION

- A. The total dollar value of the contract or subcontract awarded or to be awarded to a certified M/WBE is counted toward achieving the goal. In order to qualify for consideration as a M/WBE firm, a firm must be certified by one of the following:

SLDC	- St. Louis Development Corporation
MoDOT	- Missouri Highway Department of Transportation
IDOT	- Illinois Department of Transportation
Metro	- Bi-State Development Agency

The Board of Education then will make its own determination which shall be final as to M/WBE certification of a firm.

- B. ***The portion of the total dollar value of a contract awarded to a joint Venture shall be equal to the percentage of the ownership of the M/WBE in the joint venture is counted toward the goal. However, this percentage will only apply for non-subcontracted work.***

For a joint venture involving an M/WBE firm and a non-M/WBE general contractor, the general contractor may count towards the MBE/WBE goals only the M/WBE percentage of the non-subcontracted work to be directly self-performed by the joint venture.

- C. Twenty percent (20%) of expenditures for materials and supplies obtained from an M/WBE supplier and one hundred percent (100%) of such expenditures from an M/WBE manufacturer or dealer certified as such by SLDC are counted toward the goal.

II. BIDDING PROCEDURE

- A. Bidder shall submit the “Statement of M/WBE Participation” form included in this document as part of the Bid Proposal. If the Bidder is an M/WBE firm, Part I should be completed. This form cannot be changed after the bid opening without approval of the Board of Education. Any firm being considered for removal from this list must submit written confirmation to the Saint Louis Public Schools Purchasing Department requesting such removal. This statement, if accepted by the Board of Education, will become a part of the contract documents.
- B. All Bidders shall submit the “Statement of M/WBE Participation” form included in this document as part of the Bid Proposal. Failure to complete this form in its entirety will be cause for rejection of the bid. This form cannot be changed after the bid opening without approval from the Board of Education. Any firm being considered for removal from the list must submit written confirmation to the Saint Louis Public Schools Purchasing Department requesting such removal.

III. EVALUATION PROCEDURES

- A. After the bid opening, the low bidder and the second bidder shall re- evaluate and confirm M/WBE firms to be used on the project. A confirmed “ Statement of M/WBE Participation” signed by an officer of the company shall be submitted to the Saint Louis Public Schools Purchasing Department, before 10:30 A.M. on the second (2nd), working day after the bid opening. This statement, if accepted by the Board of Education, will become part of the contract documents.
- B. If the utilization goals are not satisfactorily addressed, the efforts related to securing M/WBE participation will be evaluated by the Board of Education, taking into account, among other things, the following:
1. Comparison with M/WBE participation in other bid proposals.
 2. Evaluation, including review of pertinent documents, of a bidder’s good faith effort of solicitation and follow-up to obtain M/WBE bids.
 3. When the MBE and WBE participation goals cannot be met the bidder shall document and submit justification as to why the goal(s) could not be met and demonstrate the good faith efforts taken to meet the MBE and WBE participation goals, including but not limited to the following recommended efforts:
 - i. Efforts made to break down contracts and portions of work into economically feasible units such that the MBE/WBE utilization goals can be met.
 - ii. Written notification to disadvantage economic development assistance agencies, organization, local, state and federal disadvantage business assistance offices, and other organizations which provides assistance in recruitment and placement of MBE/WBE’s on this project.

iii. Efforts made to negotiate with MBE's and WBE's for specific item(s)
of

Work including evidence on:

a. The names, addresses, telephone numbers of the MBE's and WBE's who were contacted, the dates of initial contact and whether solicitations of interest were followed up by contacting the MBE's and WBE's to determine with certainty whether the MBE or WBE is interested. Personal or phone contacts are expected; and

b. A description of the information provided the MBE/WBE's regarding the plans and specifications and the work to be performed; and

c. A statement of why additional agreements with other MBE/WBE's were not reached;

d. Documentation of each MBE/WBE contacted but rejected and the reason for the rejection.

iv. Examples made to assist the MBE/WBE's that need assistance in obtaining bonding, insurance of lines of credit required by the contractor.

v. Documentation that qualified MBE/WBE's are not available or are not interested. vi. Examples

of actions not acceptable for failure to meet the MBE/WBE goals are:

a. MBE/WBE unable to provide performance and/or payment bond. b. Union versus non-union status.

c. Contactor would normally perform all or most of the work of the contract, or restricts solicitation only to those general groups of items which may be listed in proposal under such heading as "Items Subcontractable to MBE/WBE Firms."

d. Solicitation by mail only.

vii. The demonstration of good faith efforts must, in the end, prove the contractor had actively and aggressively sought out MBE/WBE's to participate in the project. All the information provided must be accurate in every detail.

The ability to achieve the M/WBE goals and the good faith efforts demonstrated will be used to evaluate each Bidder's responsiveness.

The information provided will be evaluated to determine if the low bidder is responsive.

All information provided must be accurate in every detail. The apparent low bidder's attainment of the MBE/WBE goals or the demonstration of good faith efforts will determine the award of contract.

Documentation of initial good faith efforts is to be submitted before 10:00A.M. on the second (2nd) working day after the bid opening to the Board of Education utilizing the *Contractor's Good Faith Effort Statement, and Contractor's Good Faith Effort Report*.

IV. CONTRACTOR VERIFICATION OF M/WBE PARTICIPATION

A. The Contractor will be required to submit the "Monthly M/WBE Report" describing amounts paid to M/WBE firms with each payment application.

B. Prior to the release of the final one percent (1%) of contract retainage, the Contractor shall furnish a final Monthly M/WBE Report with supporting final lien waivers from all M/WBE firms used on the project. It is understood and agreed that in the event the total M/WBE participation on the project is less than that identified in the approved "Statement of M/WBE participation" provided by the Contractor prior to commencement of the project, the Board of Education will suffer a loss which will be difficult or impossible to determine. As a result, a liquidated damage amount equal to the difference between the dollar amount of the proposed and approved M/WBE participation, and the actual dollar amount of M/WBE participation, will be paid by the Contractor. Such amount shall be deduction from the final retainage owed to the Contractor, and will not exceed an amount equal to one percent (1%) of the original contract amount. No such deduction will be made when the proposed and approved M/WBE participation is not met for reasons beyond the control of the Contractor. Such determination is in the sole discretion of the Board of Education. The amount set forth above is agreed upon as liquidated damages, and not as a penalty.

C. Compliance with the forty percent (40%) field employment goal will be monitored by the Saint Louis Public Schools Project Manager.

V. REPLACEMENT OF M/WBE FIRMS

A. The Contractor shall make good faith efforts to replace an M/WBE subcontractor, who is unable to perform satisfactorily, with another M/WBE subcontractor. Replacement firms must be approved by the Board of Education.

COUNTING M/WBE PARTICIPATION

The Saint Louis Public Schools (SLPS) district utilizes the following guidelines in determining the percentage of Minority/Women-Owned Business Enterprise (M/WBE) participation that will be counted toward the overall M/WBE goals for a prime contractor:

- A. If a firm is not currently certified as an M/WBE at the time of the execution of the contract, the firm's participation towards any M/WBE goal will not be counted.
- B. The dollar value of work performed under a contract with a firm after it has ceased to be certified will not be counted toward the overall goal.
- C. When an M/WBE participates in a contract, the value of the work actually performed will be counted as follows:
 - 1. The entire amount of that portion of a construction contract that is performed by the M/WBE's own forces. This includes the cost of supplies and materials obtained by the M/WBE for the work of the contract, including supplies purchased or equipment leased by the M/WBE (except supplies, and equipment the M/WBE subcontractor purchases or leases from the prime contractor or its affiliates).
 - 2. The entire amount of fees or commissions charged by an M/WBE firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of the work, toward M/WBE goals, provided that SLPS determines the fee to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - 3. When an M/WBE subcontracts part of the work of its contract to another firm, the value of the subcontractor work may be counted toward M/WBE goals only if the M/WBE's subcontractor is itself an M/WBE firm. Work that an M/WBE subcontracts to a non-M/WBE firm will not count toward M/WBE goals.
- D. When an M/WBE performs as a participant in a joint venture, SLPS will count a portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the M/WBE performs with its own forces toward M/WBE goals.
- E. SLPS will count expenditures of an M/WBE contractor toward M/WBE goals only if the M/WBE is performing a commercially useful function on that contract:
 - 1. An M/WBE performs a commercially useful function when it is responsible for the execution of the work of the contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the M/WBE must also be responsible with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, installing (where applicable) and paying for the material itself. To determine whether an M/WBE is performing a commercially useful function, SLPS will evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the M/WBE credit claimed for its performance of the work, and other relevant factors.

2. An M/WBE does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which the funds are passed in order to obtain the appearance of M/WBE participation. In determining whether an M/WBE is such an extra participant, SLPS will examine similar transactions, particularly those in which M/WBEs do not participate.

3. If an M/WBE does not perform or exercise responsibility for at least 30 percent of the total cost of its contract with its own work force, or the M/WBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, SLPS will presume that it is not performing a commercially useful function.

4. When an M/WBE is presumed to not be performing a commercially useful function as provided in this program, the M/WBE may present evidence to rebut this presumption. SLPS may determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

F. SLPS will count expenditures with M/WBEs for material or supplies towards M/WBE goals as provided in the following:

1. SLPS will count 100% of the cost of the materials or supplies toward M/WBE goals if the materials or supplies are obtained from an M/WBE manufacturer. For purposes of this paragraph, a manufacturer is a firm that operates or maintains a factory or establishment that produces, on the premises, the material, supplies, articles, or equipment required under the contract and of the general character described in the specifications.

2. SLPS will count 20% of the cost of the materials or supplies towards M/WBE goals if the materials or supplies are purchased from an M/WBE regular dealer. For purposes of this section a regular dealer is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles, or equipment of the general character described by the specifications and required under the contract are brought, kept in stock, and regularly sold to or leased to the public in the usual course of business.

To be a regular dealer, the firm must be an established, regular business that engages, as its principal business and under its own name, in the purchase and sale or lease of the products in question.

A person may be a regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone or asphalt without owning, operating, or maintaining a place of business if the person both owns and operates distribution equipment for the products. Any supplementing of regular dealers' own distribution equipment shall be by a long-term lease and not on an ad hoc or contract-by-contract basis.

Packagers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions will not be considered regular dealers.

3. With respect to materials or supplies purchased from an M/W/DBE which is neither a manufacturer nor a regular dealer, SLPS will count the entire amount of fees or commissions

charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for delivery of materials or supplies required on a job site, toward M/W/DBE goals, provided that SLPS has determined the fees to be reasonable and not excessive as compared with fees customarily allowed for similar services. SLPS will not count any portion of the cost of the materials and supplies themselves toward M/WBE goals, however.

Note: All M/W/DBE firms must, as of the date bids are due, be certified as an MBE, WBE or DBE by at least one of the following certifying agencies:

MoDOT (Missouri Department of Transportation) IDOT
(Illinois Department of Transportation)
City of St. Louis/ St. Louis Lambert International Airport
BiState Transit Authority dba Metro.

A copy of the firm's certifying letter must accompany the bid. If a company's certification lapses before the closing out of the project, the firm must be recertified before the close of the project for its participant to be counted.

Finding an M/DBE Partner

The following agencies and organization may be of assistance in helping you find an M/WBE firm with the skills and or services you are looking for:

Association of General Contractors of St. Louis

Prevailing Wage Requirements and Wage Order

PREVAILING WAGE LAW:

All bidders submitting a proposal for this project must comply with the Department of Labor and Industrial Relations of the State of Missouri, pursuant to Section 290.210 to 340 V.A.M.S., which states that prevailing rates of wages shall be paid to all workers (as defined by Annual Wage Order #18 and associated Incremental Wage Increases).

In all required bonds, the Contractor shall include such provisions as will guarantee the faithful performance of the prevailing hourly wage clause as provided by contract.

Contractor and their subcontractors shall be required to submit weekly payroll sheets with their monthly invoices, showing compliance to the above Prevailing Wage Standard, as well as an Affidavit of Compliance with Prevailing Wage Law at the conclusion of the project, prior to final payment.

Accurate records pertaining to wages paid all workers employed on the contract shall be kept within the state by the contractor and each subcontractor, for a period of one (1) year following the issuance of final payment for the subject work.

The contractor will forfeit a penalty to the St. Louis Public Schools of \$100 per day (or portion of a day) for each worker that is paid less than the prevailing wage rate for any work done under the contract by the contractor or by any subcontractor.

The contractor and all subcontractors to the contract must require all on-site employees to complete the ten-hour safety training program required under Section 292.675, RSMo, (enclosed in the laws section), if they have not previously completed the program and have documentation of having done so.

The contractor will forfeit a penalty to the St. Louis Public Schools of \$2,500 plus an additional \$100 for each employee employed by the contractor or subcontractor, for each calendar day, or portion thereof, if such employee is employed without the required training.

During periods of excessive employment (any month immediate following two consecutive calendar months during which the level of unemployment in the state has exceeded five percent as measured by the United States Bureau of Labor Statistics) only Missouri laborers (persons who have resided in Missouri for at least thirty days and intend to become or remain Missouri residents) and laborers from non-restrictive states (persons who are residences of a state which has not enacted state laws restricting Missouri laborers from working on public works projects in that state, as determined by the Labor and Industrial Relations Commission) (see Excessive Unemployment section), may be employed under the contract, except that other laborers may be used when Missouri laborers or laborers from nonrestrictive states are not available, if so certified by the contractor and approved by the contracting officer.

Every transit employer, as defined in section 285.230 RSMo, enclosed in the laws section, must post in a prominent and easily accessible place at the work site a clearly legible copy of the following: (1) The notice of registration for employer withholding issued to such transient employer by the director of revenue; (2) Proof of coverage for workers' compensation insurance or self-insurance signed by the transient employer and verified by the department of revenue through the records of the division of workers' compensation; and (3) The notice of registration for unemployment insurance issued to such transient employer by the division of employment security. Any transient employer failing to comply with these requirements shall, under section

285.234, RSMo, enclosed in the laws section, be liable for a penalty of five hundred dollars per day until the notices required by this section are posted as required by that statute.

St. Louis Public Schools seeks to ensure that the highest quality workmanship will be performed on the project and requires the Contractor to use a qualified Project Superintendent at all times that work is being performed on the job site.

Wage order 19 is provided. If a more recent version exists, it is the energy service company responsibility to be in compliance.
