

Laclede Preschool

During the month of **N**ovember we'll continue focusing on the "Fall" season. November ends the time of harvesting in which all that was planted is picked, gathered to be sold and eaten. We will discuss how vegetables grow (under or above the ground. Preschool will observe the causes and effects of nurturing what you plant. We will discuss how we meet friends, and the importance of friendship and how we show **Responsibility**- our Character Word of the Month.

.....

High-Frequency Word List

my, the, and, a, in,
 on, is, are, you,
 have, I, he, she,
 was, at, with, had,
 see, for, & by.

Did you know we are building words?

Math in motion

Want to introduce your child to math concepts? Try playing games that require counting. Examples: Roll dice and ask him to count the dots. Throw wadded paper balls into a waste can, and help him or her keep score to see who get the most "baskets".
