Welcome to Kindergarten!
I am pleased to welcome you to the 2023-2024 school year! I am looking forward to having your child as a student. Kindergarten is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. My goal is to make school a place where your child feels safe, loved, and happy...and of course to leave here in May more than prepared for first grade!

About Me
Hello! I am Mallory Dauphin, and I am 38 years old. I currently live in O'Fallon, IL with my husband Rich and our two children. Jack, my oldest, is 12 and Henry just turned 10. I received my Bachelors in Early Childhood Education from UMSL in 2010 and my Masters in Gifted Education from Lindenwood in 2020. At Betty Wheeler, I currently also am involved in yearbook, character education, and book club. Offering these fun activities for students of all ages is my small way I can help make this school a positive, fun place for all.

Contact Me
I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
