

# WELCOME TO KINDERGARTEN!

I am excited to start my 6th year teaching kindergarten with your kiddo! While this is my 6th year in KG, I have been with Betty Wheeler for 9 years total this year!

A little about me: I was the PK teacher here at Wheeler for a few years out of college before taking time off to raise my sons. Coming back to BWCJA after being gone for so long felt like coming home. I have two sons (Jack 13, and Henry 11) and live in Illinois with my husband (Rich) and our pets. We spent the summer going to camps, fishing, and spent lots of time at our neighborhood pool.

I know the beginning of the school year can be an emotional one for kinder parents. I am always here to help you feel more comfortable leaving your little ones in my care. Please never hesitate to reach out!!

For non-emergency contact, please use my district e-mail. Texting, however, is the easiest way to get ahold of me during the school day for anything last minute. If you need to text, please make sure to start with your name so I can save your number!

## SNACK POLICY

Snack time in KG is a wonderful time for your child to practice their independence and self-help skills as well as a great time to socialize. We require students to bring their own healthy snack daily for our afternoon snack time. Please refrain from sending candy as it will not be allowed for a snack. We are also a nut-free classroom, so no peanuts or related foods will be allowed.
