

Herzog Social Studies Virtual Learning Week 7 Due 5/21/20

(Ctrl + click link will open links)

During the last week of school, Herzog students will begin transitioning to summer learning.

Here's a list of virtual field trips, web cams, educational sites, and more!

[Magic House- Magic at Home](#)

[Bring the St. Louis Zoo to you!](#)

[St. Louis Science Center - Science at Home.](#)

[Missouri History Museum at Home](#)

[St. Louis Art Museum- Explore the Collection](#)

[Virtual WORLD Travel](#)

Ideas for continual learning:

Have students visit the sites and then draw a picture or write a short reflection about what they learned.

Write a story or picture book describing the adventures.

Make a wish list for what you'd like to see in person someday.

Have conversations about what your student learned.
